

**A NEW Watchman Report**  
**UNTANGLING END TIME EVENTS**

Great numbers of professing Christians today have very little understanding of Biblical eschatology. One reason for this is that there are so many confusing and conflicting views on end time events, so that many Christian leaders shy away from teaching on the end times. The Bible is clear about the fact that certain revelations concerning the end times were not to be understood until the time of the end, which is the generation we are now living in. Many of these events are taking place at break neck speed right now. Therefore, now is the time to know the truth!

**For many walk, of whom I have told you often, and now tell you even weeping, that they are the enemies of the cross of Christ... whose end is destruction... For they have set their mind on earthly things... but our citizenship is in heaven... (Philippians 3:18-20)**

**I** have watched multitudes of God's people become so emotionally and fervently involved in the political fever that has been raging in this nation—

and have thought to myself, “If only they had such fervor for God’s Kingdom!” God’s people must be reminded that “this world is not our home.” Child of

of God, we are not citizens of this world—we are citizens of heaven! However, Satan has managed to convince many Christians that they have a duty to support their “nation” and many give of their time and their finances to just that. Yes, I agree we are to pray for the leaders of nations—however, even that must be according to what God has to say about these leaders and the nations and not according what we would like to see happen (but that’s another subject all of its own). In any case, being a “nationalist” (an advocate for a nation) or a “globalist” (an advocate for world unity through a NWO)... are not what we Christians are called to spend our time, attention or finances on.

**For I have told you often before, and I say it again with tears in my eyes, that there are many whose**

**conduct shows they are really enemies of the cross of Christ... They are headed for destruction. Their god is their appetites (their desires), they brag about shameful things, and they think only about this life here on earth... But we are citizens of heaven, where the Lord Jesus Christ lives. And we are eagerly waiting for him to return as our Savior. NLT (Philippians 3:18-20).** (Parenthesis mine)

Great numbers of Christians are now rejoicing because of Donald Trump’s victory—because they have put their faith in Trump as their “arm of flesh” to save this nation from destruction or at least to delay it. Without a doubt, this country is being threatened by many enemies from without and also from within—the new president is now being seen as their “champion”—the one to “Make America Great Again”—however, he is merely a man.

**He may have a great army, but they are merely men. We (must) have the Lord our God to help us and to fight our battles for us!" (2 Chronicles 32:8)** (Parenthesis mine)

The reality is my friend, America has always been an ungodly nation, ruled by Satan’s puppets, men who were not genuine, sold out followers of Jesus Christ. When you study the lives of this nation’s leaders, including those who claimed to be “Christians”—right from the beginning they were mainly people of mixture—possessing only a *form of godliness*—and many not even having that. Despite this the U.S. grew into a proud, materially prosperous, greedy and yes, *independent* country.

The majority of Americans have never put their trust in God or been dependent upon God, except when they wanted His help to survive some national crisis—which is exactly how many professing Christians are in their walk with God. Had this been a nation that could rightly claim “in God we

Trust”— it would be a nation that feared Him by greatly fearing to violate His righteous ways as established in His written Word, the Holy Bible. At this point in time, the citizens of this nation are willing to do whatever it takes to regain prosperity and greatness, along with allowing the sins of murderous abortion, homosexuality and greed to flourish, while at the same time demanding independence from God and His Word. In order to survive, this nation needs true repentance—first and foremost true repentance by those professing to be Christians! If the following verse is to be correctly understood, it is the sins of God’s people (Christians) that withhold God’s healing for this nation.

**If my people, which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways (anything contrary to God’s Word); then will I hear from heaven, and will forgive their sin, and will heal their land. (2 Chronicles 7:14)**

### **The Deception Has Deepened**

I awoke from a very disturbing dream one morning, shortly after the election of Donald Trump as our next president, hearing very clearly the words from “Matthew 24:24” **...if possible, they shall deceive even the very elect.**

As I meditated on this very familiar verse, the Lord spoke to me saying, “there are many of my elect who are now being deceived by Donald Trump’s victory.” He went on to show me that many of the very elect have lost sight of the fact that Donald Trump is aligned with the principalities and powers that rule this world... God has allowed these rulers of darkness to place Trump in this position of leadership—in order to fulfill God’s end time purposes. One of those purposes is to test and try many of God’s people. Far too many of God’s people are putting their confidence in the “arm of flesh” to make them feel secure. In order to regain prosperity and security, Trump, who is well known for his deal making ability, will have to make many deals with the devil to achieve his goals. Many are going to be deceived by Trump’s ability to make deals that bring “prosperity” into this nation, thinking this is God’s blessing upon the USA. Prosperity, wealth and political world power however, have turned us away from trusting God and have been the ruin of this godless nation, causing its citizens (including God’s people) to exchange righteousness for sinful greed that feeds the desires for self indulgence. The truth is we are living in the Laodicean church generation:

**(Revelation 3:14-22) "And to the angel of the church of the Laodiceans write... because you are lukewarm, and neither cold nor hot, I will vomit you out of My mouth... Because you say, 'I am rich, have become wealthy, and have need of nothing' — and do not know that you are wretched, miserable, poor, blind, and naked ...I counsel you to buy from Me gold refined in the fire, that you may be rich; that you may be clothed with white garments that the shame of your nakedness may not be revealed; and anoint your eyes with eye salve, that you may see... As many as I love, I rebuke (correct) and chasten (punish). Therefore be zealous and repent... Behold, I stand at the**

**door and knock. If anyone hears My voice and opens the door, I will come in to him and dine with him, and he with Me... To him who overcomes I will grant to sit with Me on My throne, as I also overcame and sat down with My Father on His throne... "He who has an ear, let him hear what the Spirit says to the churches."**

The Only way Christians in America, or anywhere in the world for that matter, are going to be among the “over-comers” mentioned in the above text—is if they are willing to allow the FIRE of God to refine them. As mentioned in the November issue of the TRUMPET SOUNDS Newsletter, the fire

of God is not an option for being chosen as one of God’s elect. The fire of God is not a pleasant thing to endure, but is totally essential if we are to be among the “chosen” who make up the Bridehood Saints of God. Right now, I don’t see very many professing Christians seeking God for the “baptism of fire” that qualifies them to become a Bridehood Saint, who will sit with Jesus Christ upon His throne in a ruling capacity in His coming kingdom. For this reason, God is going to judge His people for sin that has never been confessed and repented of. As long as Christians are focused upon “their civil liberties” and upon “their personal security and desires”—they will never see their sin or themselves as God sees them—instead they will go deeper into deception.

I can guarantee you that making this nation great again will not cause Christians to truly repent and forsake their wicked ways, it will only reinforce deception and strengthen their pride! Political activism is not our answer. With each new president, more and more inroads for antichrist forces have been established in this nation by the behind the scenes ruling illuminati elite. [1] It is a well-established fact that this has always been a country of great philosophical and religious *mixture*, which has only served to confuse and deceive the majority of the population—especially Christians. America has *never* adhered to God’s standard for truth and righteousness, there has always been greed and injustice at work undermining this nation, mainly **because God’s people as a whole have not been righteous or upheld His Word as the only standard for what is right and wrong.** Because God has not been able to reign over our lives *as Christians*, righteousness has not prevailed, thus, as prophesied sin and injustice have continually increased, so now there is only judgment to look forward to.

**For only when you (God) come to judge the earth will people learn what is right ... Although others do right, the wicked (professing Christians and the heathen) keep doing wrong and take no notice of the Lord's majesty... O Lord, they pay no attention to your upraised fist. (Isaiah 26:9-11)**

## Ambassadors of Heaven

Those who are citizens of Heaven, are truly the “sold out to Christ Christians,” in this world, and are the very elect or Bridehood Saints *chosen* to be ambassadors for our Heavenly country. This means they must represent and be advocates of God’s righteousness and His ministers of reconciliation in whatever nation, they as ambassadors for Christ may live—so their King’s standard of righteousness can be made known in every nation of the world. Righteousness exposes the root cause for all human problems—and the root cause is SIN. When truth exposes sin, it is an opportunity to present God’s remedy, which is the message of being reconciled to God and this cannot come through political activism—but only through a true presentation of the gospel message of repentance from sin and faith in Jesus Christ. As Christian ambassadors and servants of Jesus Christ, we should embrace the same *view* of our earthly position, that our heavenly “King” Jesus Christ held, while he lived here. He clearly stated His position to those who were not citizens of heaven, but were citizens of this earth. Jesus told them:

**"You are from beneath; I am from above. You are of this world; I am not of this world. (John 8:23)** He also said: **"My kingdom is not of this world. If My kingdom were of this world, My servants would fight (political battles)... but now My kingdom is not from here." (John 18:36)** (Parenthesis mine).

As long as the people of this nation and from every nation of this world for that matter, who are not citizens of heaven, consider acts of SIN as defined by the Bible, to be "Civil Liberties" that are to be protected, such as abortion, homosexuality, gay marriage, freedom to practice Satanism in our public schools and on and on goes the list—that nation is slated for destruction—not blessing or greatness. Nations such as this, as Jesus taught, are "goat" nations, which butt or fighting against our "King and His kingdom" of righteousness, peace and joy.

**And before him shall be gathered all nations** (people of every ethnic background): **and he shall separate them one from another, as a shepherd divides his sheep from the goats... And he shall set the sheep on his right hand** (the overcomers), **but the goats on the left... Then shall the King say unto them on his right hand, Come, ye blessed of my Father, inherit the kingdom prepared for you... Then shall he say also unto them on the left hand, Depart from me, you are cursed... (Matthew 25:32-34, 41)**

There is no doubt that the nations of this world are at war with our King's kingdom. In this conflict, our role as chosen saints of God, is to be that of *ambassadors* who rightly represent to our leader, the Lord Jesus Christ and His kingdom. In God's Kingdom ALL of His subjects are called to be

servants of His government as ambassadors—as well as soldiers who fight the good fight of faith. As such we are told not to get involved in the “civil” affairs and cares of these earthly nations, in which we are appointed to serve as Christ's ambassadors and soldiers.

**No one engaged in warfare entangles himself with the affairs of this life, that he may please him who enlisted him as a soldier.**

**(2 Timothy 2:4)**

Not at any time do we see Jesus, the Apostle Paul or any of the other apostles become politically involved in or becoming political activists for any earthly nation or political ideology. **Praying always with all prayer and supplication in the**

**Spirit... for me, that utterance may be given to me, that I may open my mouth boldly to make known the mystery of the gospel... for which I am an ambassador—in chains; that in it (i.e. the ministry of an ambassador) I may speak boldly, as I ought to speak. (Ephesians 6:18-20** Parenthesis mine for clarity).

Please notice that our mission as ambassadors of Jesus Christ to the nations of this world, and especially for those of us who live here in the USA—is to make known the MYSTERY OF THE (true) GOSPEL—and this will require speaking **boldly** (above the voices of the many popular false ministers) the truth from God's word to all people. By doing so, we will face persecution, abandonment by friends and family and even “chains” like the Apostle Paul endured, for it is becoming a criminal offense to speak and uphold the truth from God's word in a political or public forum—because the Luciferians continue to have their way. The ministry agenda of Christ's ambassadors is found in the “great commission” that Jesus gave to *every one* of His genuine followers. **"All authority has been given to Me in heaven and on earth... Go therefore and make disciples of all the nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit... teaching them to observe all things that I have commanded you; and lo, I am with you always, even to the end of the age."** (Matthew 28:18-20)

In order to fulfill our duties as citizens of heaven and as Christ's ambassadors here on earth, we need to know what the duties of an ambassador are.

The word AMBASSADOR as used by the Apostle Paul, in the (Eph 6:20) text, is the Greek word, Strong's #4243 *presbeuo* (pres-byoo'-o); and is defined as: *an elder or senior Christian representative or ambassador*. The CWSD:[2] says *this word is used for persons sent as ambassadors or messengers*. Please note that an *elder* refers to one who is a senior or MATURE (completed) Christian. This means they are a Christian who does not allow their *soul* (thoughts, emotions and desires) to be ruled by their fallen human nature. Mature Christians have been baptized by the Holy Spirit baptism and by His fire. This means they stay “*immersed*” in the presence of God and allow His Holy Spirit to continually consume (crucify) their “flesh or

sin nature” which they view as a reasonable act of worship—just as fire consumed the animal sacrifices of worshippers in the Old Testament. **I beseech you therefore, brethren, by the mercies of God, that you present your bodies a**

**If you are a Christian, you should not be a citizen of this world striving to get to heaven; instead, as a citizen of heaven, you should strive to become qualified to be appointed as Christ’s ambassador on earth.**

**living sacrifice, holy, acceptable to God, which is your reasonable service... And do not be conformed to this world, but be transformed by the renewing of your mind, that you may prove what is that good and acceptable and perfect will of God. (Romans 12:1-2)**

Ambassadors are the members of the Bride of Christ—the elect saints who “daily” yield up their bodies (their natural being) as a “living sacrifice” unto God, by dying daily to their human nature, so they can live and move and have their whole being quickened by their born again Holy Spirit nature. Only a “mature” sanctified saint is qualified to truly represent God and His Kingdom and become His appointed ambassador, who is God’s elected spokes person on this planet.

Sadly, many who call themselves “ambassadors” for Christ are merely self or man-appointed ministers and not ordained by God, because they are not mature, or whole in their Christian character and doctrine. What they preach, teach and prophecy is of man or from their own selves and according to their own agenda or desires and not what is received from the throne of heaven. Please listen to what God says about those who claim to be God’s messengers, but have *not been sent by Him* and about those who listen to them and receive what they say... **I have not sent them," says the Lord, "yet they prophesy a lie in My name, I will drive you (who listen to them) out that you may perish, you and the prophets who prophesy to you." (Jeremiah 27:15, Parenthesis mine for clarity)**

I did a little checking about what an ambassador’s job entails and one web site described the *duties of an ambassador* as follows: [3]

† **Ambassadors represent their leader in an official capacity in foreign nations and communities.** As Christ’s ambassadors we represent our “leader”—Jesus Christ, by our conduct and by how we practice our faith, so what we believe and practice as a Christian had better align with the teachings of Jesus Christ and with ALL of the Scriptures. Ambassadors know they live in a *foreign nation* and that they are *aliens* among the people they serve as a representative to of their homeland. The Apostle Peter said this... **(1 Peter 2:11) “Dear friends, I urge you, as aliens and foreigners in the world, to abstain from sinful desires, which war against your soul” NIV.** Our ungodly soulish desires, especially those of wanting to “fit in” and be accepted by the citizens of this world must not be

[2] Complete Word Studies Dictionary

allowed to disqualify us as Christ's ambassadors. It must become a living reality to us that we are *foreigners* and ALIENS in this world. The dictionary [4]

defines an “alien” as: *a person who comes from a foreign country; someone who does not owe allegiance to any other country other than their own.* **All these people who were living by faith when they died admitted that they were aliens and strangers (foreigners) on earth... People who say such things show that they are looking for (their own) country ... they were longing for a better country — a heavenly one. Therefore God is not ashamed to be called their God, for he has prepared a city for them (Hebrews 11:13-16, Parenthesis mine for clarity) NIV.**

We cannot expect *sinner*s who are citizens of this world (this includes unrepentant professing Christians) to pledge or give allegiance to the kingdom of God, any more than we, as holy representatives of our heavenly home, should give or pledge our

allegiance to any nation on this earth. Our only pledge of allegiance is to be to our King Jesus Christ and His heavenly kingdom. Christians cannot have a divided loyalty—without being double minded and unstable in their Christian life. It is a sad fact that many Christians have fallen for Satan's lie that we are to love our country, thus many love their earthly country more than they do God and His Kingdom, and are even willing to lay down their lives for their earthly nation, but are not as willing to sacrifice their self centered lives for God and His eternal Kingdom. It is our duty to love honor and serve God—above every nation on earth.

† **Ambassadors are charged with protecting and promoting their country's interests.** This is where “thy kingdom come, thy will be done on earth as it is (in agreement with what comes from our home country) in “heaven”—comes into play. Ambassadors understand their leaders agenda for the nation they are sent to be representatives to. They work to fulfill their leaders agenda within that nation and do the bidding of their leader in that foreign land. They are in that land to promote their king and to be guardians of and to protect His kingdom, whether it be popular or not. **Herald and preach the Word! Keep your sense of urgency, stand by, be at hand and ready, whether the opportunity seems to be favorable or unfavorable. Whether it is convenient or inconvenient, whether it is welcome or unwelcome, you as a preacher (an ambassador) of the Word are to show people in what way their lives are**

[3] What Does a U.S. Ambassador Do? <http://mentalfloss.com/article/12517/what-does-us-ambassador-do>.

[4] The Advanced English Dictionary

**wrong. And convince them, rebuking and correcting, warning and urging and encouraging them, being unflagging and inexhaustible in patience and teaching. (2 Timothy 4:2) AMP**

† **Ambassadors skillfully handle situations when conflicts between their home country and other countries arise.** Ambassadors of Jesus Christ know the Scriptures and how to be guided by the Holy Spirit. The conflicts between the kingdom and citizens of darkness (in earthly nations) and the citizens of heaven and their kingdom of light, need to be seen and handled in accordance with what is according to and prophesied in the Scriptures, especially when it is concerning the end times in which we now live. *We cannot be advocates for anything that conflicts with the prophetic Scriptures.* What our King has ordained to take place regarding the nations—will take place—and at His appointed time. No earthly leader or political ideology can change this. Our conflicts are spiritual battles and must be fought as spiritual battles. **For we are not fighting against flesh-and-blood enemies, but against evil rulers and authorities of the unseen world, against mighty powers in this dark world, and against evil spirits in the heavenly places. (Ephesians 6:12) NLT.**

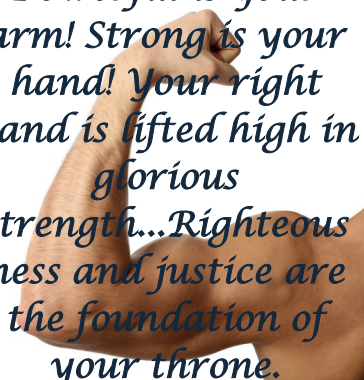

As ambassadors we are to be bold in our leaders agenda and not allow the gods of this world to silence us. **By God's grace and mighty power, I have been given the privilege of serving him (as an ambassador) for spreading this Good News... I was chosen to explain to everyone this mysterious plan that God, the Creator of all things, had kept secret from the beginning... God's purpose in all this was to use the church to display his wisdom in its rich variety to all the unseen rulers and authorities in the heavenly places... This was his eternal plan, which he carried out through Christ Jesus our Lord. (Ephesians 3:7, 9-11) NLT**

† **Ambassadors organize visits, and welcome visitors**—In other words God's servants mingle with the citizens of the nations they are assigned to be a representative to, in order to find opportunities to promote their leaders agenda and message of repentance and reconciliation. This was very clearly seen in the ministries of Jesus and the Apostle Paul—two of the greatest models for being an ambassador for God and His kingdom. **After some time Paul said to Barnabas, "Let's go back and visit each city where we previously preached the word of the Lord, to see how the new believers are doing." (Acts 15:36) NLT**

† **Ambassadors are advocates of God's justice** for heaven's citizens who are also foreigners in the nation in which they live. If a citizen of the ambassadors home country gets into trouble of some sort— it is the duty of the ambassador to ensure that that his fellow citizen is treated justly and given access to counsel should they find themselves in trouble or in a foreign prison awaiting trial. An example of this was God's ambassador, the Apostle Paul, who spent two years under house arrest. As a citizen of heaven he subjected himself to the laws of the nation in which he lived. Our earthly citizenship and the laws of earthly nations (just or unjust) can work for or against us as Christians. But as citizens of heaven we don't fight against man's laws, but we do have the authority to appeal to our King on our behalf before His throne, when help is needed because of a nation's unjust laws and rulers.

Like the Apostle Paul, our mission must be the priority over our comfort or safety. It is all about our King and not about us. As ambassadors for God's kingdom, we are responsible to ensure justice for our fellow "citizens" of heaven—by appealing to the court of heaven on their behalf. Many prayers were offered up for Paul during his time as an ambassador upon this earth. Likewise, Paul also prayed for and brought God's counsel to his fellow heavenly citizens. This means, we who are true ambassadors for Christ must correct and encourage God's people so they too remain good representatives as

*Powerful is your arm! Strong is your hand! Your right hand is lifted high in glorious strength... Righteousness and justice are the foundation of your throne.*

"citizens of heaven." **And you yourself must be an example to them by doing good works of every kind. Let everything you do reflect the integrity and seriousness of your teaching... Teach the truth so that your teaching can't be criticized. Then those who oppose us will be ashamed and have nothing bad to say about us... And we are instructed to turn from godless living and sinful pleasures. We should live in this evil world with wisdom, righteousness, and devotion to God... You must teach these things and encourage the believers to do them. You have the authority to**

**correct them when necessary, so don't let anyone disregard what you say. (Titus 2:7-8, 12, 15) NLT**

† **Ambassadors are Diplomats**, they use consideration and skillful wisdom in dealing with people and especially with sensitive matters in order to avoid any possibility of giving offense to anyone—saint or sinner. **When I am with those who are weak, I share their weakness, for I want to bring the weak to Christ. Yes, I try to find common ground with everyone, doing everything I can to save some... I do everything to spread the Good News and share in its blessings. (1 Corinthians 9:22-23) NLT.**

As true ambassadors and representatives of our God and Heavenly Father, we must have His heart of love and mercy for those who do not know God. As ambassadors we must see others through the eyes of our King Jesus and desire to see them saved and do all we can to not offend them in anyway. **Don't give offense to Jews or heathens or the church of God... I, too, try to please everyone in everything I do. I don't just do what is best for me; I do what is best for others so that many may be saved. (1 Corinthians 10:32-33) NLT**

**"...be subject to rulers and authorities, to obey, to be ready for every good work... to speak evil of no one, to be peaceable, gentle, showing all humility to all men... For we ourselves were also once foolish, disobedient, deceived, serving various lusts and pleasures, living in malice and envy, hateful and hating one another. (Titus 3:1-3)**

It becomes clear then, that an ambassador is only a "visitor" within their nation, one who does not become involved or entangled in the affairs of the

country that they are a representative to. God may however, raise up certain appointed ones within a nation, such as He did with Daniel and Joseph—in order to fulfill His divine purposes through that nation for those who are citizens of heaven. Keep in mind though, neither Daniel or Joseph ever campaigned for their positions... it was God who opened the doors for their selection and earthly governmental authority—to ACHIEVE HIS AGENDA. Ambassadors do however, try to create opportunities to mingle with the local citizens in order to promote their King, His message and His kingdom.

As ambassadors for Jesus Christ we are not here to try and change a nations laws, choose its leaders or create any particular form of human government... that is God's area of sovereign rule, He alone determines these things and as His ambassadors He will reveal what we need to know concerning these things, just as He did to Daniel, causing Daniel to say: **... Know that the most High rules in the kingdom of men, and gives it to whomever he will (Dan 4:32).** As God's ambassadors, we must know how to pray for the leaders of nations. **... He overthrows those with long years in power... He silences the trusted advisers and removes the insight of the elders... He pours disgrace upon rulers and disarms the strong... "He reveals secrets and mysteries hidden in darkness; he brings the shadow of death (calamities and death) to light ... He builds up nations, and he destroys them. He expands nations, and he abandons them. (Job 12:18-23)** God will reveal to us His plans regarding the earthly rulers and nations we are His representatives in —He will show us what is to happen regarding these things.

† **Ambassadors are appointed to uphold their leader's resolutions** (i.e. solutions and decisions to problems). Sin is this worlds problem and Christ's resolution is called *reconciliation* that brings automatic citizenship into God's Kingdom. This resolution is to be offered to all who don't know the King of Kings—our Lord Jesus Christ. What our King has done for us, He wants to do for all who will receive His invitation of citizenship: **Now, therefore, you (who become reconciled to God) are no longer strangers and foreigners, but fellow citizens with the saints and members of the household of God. (Ephesians 2:19)** (Parenthesis mine for emphasis).

The good news from the Kingdom of God is... **he has rescued us from the kingdom of darkness and transferred us into the Kingdom of his dear Son... who purchased our freedom and forgave our sins. (Col 1:13-14)**

Now as citizens of heaven and His Ambassadors... **Jesus Christ, and has given us this ministry of reconciliation... (2 Cor 5:18)** May we who are serious about serving God as true ambassadors for His kingdom, keep our focus on what is from above and not upon what is here on this earth. Time is running out and many are not prepared for what is about to take place on this

planet. We have God's resolution for mankind in these end times and we need to be boldly proclaiming the true gospel message to as many as possible—eternity must be our focus!

**Set your mind on things above, not on things on the earth... For you died (to your old life on earth when you were baptized), and your life is hidden with Christ in God... When Christ who is our life appears, then you also will appear with Him in glory.**

**(Colossians 3:2-4) †**

## **Warning Issued Of 'Galactic Mass Ejection' To Hit Earth - Hundreds Of Thousands Died The Last Time An Event Like This Occurred**

**...see the works of the LORD, And His wonders in the deep... For He commands and raises the stormy wind, Which lifts up the waves of the sea... They mount up to the heavens, They go down again to the depths; Their soul melts because of trouble. Ps 107:24-26**

On December 10, Stefan Stanford wrote [5] about a "disturbing string of earthquakes," preceded by a "mysterious vibration" that had been detected on seismographs all across the planet, and now we see that on December 11, 2016, the noted increase in frequency and intensity of earthquakes has continued as shown below via data obtained by the U.S. Geological Survey and ready.gov., which reports that a 5.7 magnitude EQ hit 3092 km from Acapulco, Guerrero, Mexico and a 6.1 magnitude EQ hit 127 km from Bougainville Island, Papua New Guinea. The video by BP Earthwatch, which discussed an "earth warning" saying there was a massive wave of energy heading towards earth, projected to hit on December 26, 2016, and while we at ANP are always hesitant to "date-set," the fact that just minutes after receiving the email, while watching it, that same commentary published on December 10, 2016, was also linked to by Steve Quayle, who keeps a close eye on earthquakes and volcanism across the world, prompted us to address this issue.

The information provided, is using sources from NASA, along with specific patterns dating back to the last time a "galactic mass ejection" of this intensity hit in 2004, was when the Indian Ocean earthquake and tsunami occurred, killing 230,000 –280,000 people in 14 countries. This encouraged us to at least offer readers a heads-up regarding this warning. NASA and European satellites and many radio telescopes have detected this also.

## Preparing America for the Mark of the Beast One Nurse at a Time

Dave Hodges  
CSS

<http://>

[www.thecommonsenseshow.com](http://www.thecommonsenseshow.com)

America is being prepared for the mark of the beast and the preparation is incremental. "Group think" is a psychological phenomena, in which people do things that they often know are not good for them. However, they do it because everyone else is doing it. Within the spirit of group think, people will perform acts that they would never think of doing otherwise.

The Milgram experiment, was performed by Stanley Milgram in the 1960's, in which he requested

that participants in a study administer a lethal electric shock to people for giving wrong answers on a word pair test. In all, Milgram's experiment found that 67% of the participants would have murdered fellow human beings with minimal pressure.

Solomon Asch conducted the famous "lines experiment." In the experiment, six confederates knowingly gave false and consistently wrong answers to get the seventh person, the subject of the study, to give an obviously wrong answer that conformed to the group. Some people held out for two or three rounds. However, eventually, a full 60% would knowingly give the wrong answer 60% of the time with absolutely no coercion, other than the fact the subject did not want to be different from the group.

Imagine If You Will... keeping these figures in mind (67% would commit homicide and 60% would knowingly give wrong answers because the group did) as you process the following scenario:

What if there was real pressure to perform an act or to express a false belief? How many people would betray their own values and give into the authority figures of the day. Also, keep in mind that Hitler did not begin the Holocaust by immediately murdering millions of Jews. He first humiliated and chastised them. Then he systematically began to deny employment in one particular area—university education, which spread to the banks, and then to all employment, followed by gun confiscation, loss of rights, incarceration and finally extermination.

Today, the psyops directed at getting America to accept the mark of the beast has reached employment. Healthcare workers are being told that if they do not take the flu vaccine, they will not keep their jobs. This is teaching the public that you cannot resist the will of the real power behind the government. If the government, using the Milgram principle, can get 65% of the people to murder for no reason with minimal pressure, what will the rate of compliance be when there is real pressure? The loss of job threat will likely push these numbers into the 90th percentile.

What if one day, it is not the flu vaccine, but rather, the mark of the beast, what will the compliance rate be? No wonder the Bible says very few will ever make it into heaven.

Finally, do you ever get a feeling in your heart, and without any proof that something you suspect is indeed true? That is what I feel here. I know that someday soon, I am going to be forced to make a choice, maybe a serious set of choices. I know what I

will do. What will you do? Lauren Atkinson is/was an ICU nurse—a nurse who refuses to go down this unholy path of capitulation. She is a Christian profile in courage. Lauren has been told that she will take the flu vaccine or her employment will be terminated. Surprise, the dictate is about protecting pharmaceutical profits. However, when we take a step back, the clear intent from the one that really runs this planet (Satan) is to incrementally move the population towards accepting the mark of the beast and risk losing our soul forever. According to Lauren Atkinson, there is no such thing as a “flu vaccine” than prevent a flu virus, because of the mutation properties of flu viruses. She goes on to say that these vaccines are loaded with detergents and other elements that are harmful to our health. You can listen to her on YouTube at:

## DISCOVER THE DEADLY TRUTH BEHIND FLU SHOTS

BY: TARA PARAS

Year after year, we're bombarded with recommendations from the Centers for Disease Control and Prevention (CDC) urging everyone six months and older — including pregnant women — to receive vaccine shots allegedly to “protect” us from sickness. Many, believing the warnings from a respected agency, fall for the ruse. Some end up unscathed; others, however, aren't so lucky.

As explained in detail by TruthWiki, “The influenza inoculation is administered to try to help people become temporarily immune to specific influenza viruses that change completely and unpredictably from season to season, region to region, and from year

to year. Popular influenza vaccines like Fluzone, FluLaval and Fluvirin all contain the known neurotoxin **mercury!** Some flu shot brochures go so far as to promote the flu vaccines by writing that ‘... the viruses in the flu shot are killed (inactivated), so you cannot get the flu from a flu shot.’ Clearly, the diction contradicts itself by saying first that the virus is ‘killed’ and then putting the word ‘inactivated’ right next to that in parenthesis, which does

NOT mean killed, it means the virus is ‘deadened’ or ‘weakened’ or simply ‘deactivated’ because they suspend it using **formaldehyde**. A virus can lay dormant, trapped in the intramuscular tissue in which it was injected. Meanwhile, the human immune system can panic (fight or flight) trying to look for the invading pathogens.”

In mercury tests conducted on vaccines by the Natural News Forensic Food Lab, it was found that influenza vaccines manufactured by GlaxoSmithKline **contain shocking amounts of highly toxic mercury.**

“Tests conducted document mercury in the Flulaval vaccine at a shocking 51 parts per million, or over 25,000 times higher than the maximum contaminant level of inorganic

mercury in drinking water set by the EPA. The tests were conducted by the Health Ranger via ICP-MS using a 4-point mercury calibration curve for accuracy. The concentration of **mercury found in this GSK flu shot was 100 times higher** than the highest level of mercury ever tested in contaminated fish, still vaccines are injected directly into the body, making them many times more toxic than anything ingested orally," TruthWiki reports.

Despite all the warnings and studies that disprove the safety and viability of most vaccines, government agencies — which undoubtedly all have Big Pharma backing them up — continue to advocate these deadly shots. Some experts, who probably have been overcome with guilt at the blatant lies perpetuated by Big Pharma, have confessed to the shady dealings within the CDC. Whistleblowers Dr. William Thompson and Dr. Maurice Hilleman are two such examples.[6]

**KAREN'S COMMENT:** As God's people we need to trust God for all of our needs in these very deceptive and evil days! God is ready to answer our prayers, but we must humble ourselves and call on Him. The Bible says we "have not because we ask not"... Of course God is more than able to take care of our needs without our asking, but when we ask, we are acknowledging that he alone is God and that we are looking to Him as our source for ALL of our needs. To ask His help, means we are humbling ourselves by laying aside our independence, willfulness and worry, and are determined to believe and trust in Him alone.

**'Call to Me, and I will answer you, and show you great and mighty things, which you do not know... Behold, I will bring health and cure, and I will cure them (that call on GOD), and will reveal unto them the abundance of peace and truth. (Jeremiah 33:3, 6)**

## **'Fully Armed And Ready To Attack' - Jihadi Compounds In The U.S. Stockpiling Weapons And Preparing For 'End Times' Battle**

All News PipeLine:  
[http://allnewspipeline.com/Islamic\\_Compounds\\_In\\_US\\_Preparing.php](http://allnewspipeline.com/Islamic_Compounds_In_US_Preparing.php)

In December 2015, after the San Bernardino terror attack which killed 14 people and seriously injured another 22, with one of the deceased jihadists of the attack having been allowed into the U.S. under a Visa program without sufficient vetting, Donald Trump was criticized for his assertion that there should be a shut down of Muslims entering the U.S. until our country's representatives could "figure out what the hell is going on."

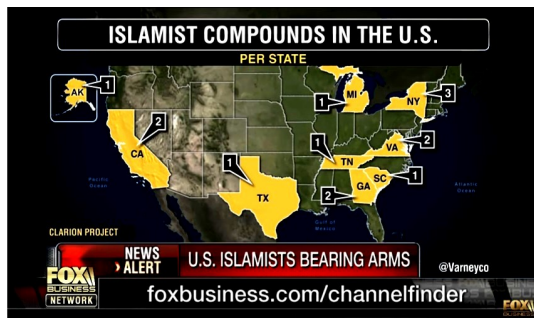

Many conservatives agree with Donald Trump that the vetting process of Muslims coming from terror linked countries, should be more extensive as to prevent attacks like the ones in San Bernardino, as well as more scrutiny of who is being allowed into America via the Refugee Resettlement Program, to which terror groups like ISIS have admitted they were infiltrating in order to get into western countries to plan attacks.

## THE ENEMY IS ALREADY HERE AND PREPARING TO ATTACK

While Trump's desire to fix a broken vetting system is welcome, there are already thousands upon thousands of Islamic extremists already inside of America... many of which calling themselves moderates. According to a June 2015 poll by the Center of Security Policy, 51 percent of U.S. Muslims believe "Muslims in America should have the choice of being governed according to shariah," and nearly a quarter of those polled think "It is legitimate to use violence to punish those who give offense to Islam by, for example, as the portraying of the prophet Mohammed in a bad light."

Even more disturbing is a new bombshell that was dropped when Ryan Mauro, national security analyst with the Clarion Project, was interviewed by Fox Business on December 1, 2016, where he explained they had people inside of Islamic compounds across America, and that his 'breaking news' is that with the election of Donald Trump, these compounds have been "stockpiling" weapons in preparation for their "end times" prophecies to be fulfilled. Over the past years the Clarion Project has

done an outstanding job of documenting Islamic compounds throughout the U.S. that are part of "Muslims of America" (MOA) which is a group "led by a radical cleric in Pakistan named Sheikh Mubarak Ali Gilani." According to Clarion and Mr. Mauro in the interview embedded below, the Department of Homeland Security says MOA is linked to Jamaat ul-Fuqra, a Pakistani militant group led by Gilani.

Perhaps the most chilling revelation in the interview was when Stuart Varney asked Mr. Mauro if there is a "Muslim force in America prepared to attack," and Mauro answers "Based on their own material and statements... yes." Mauro then affirmed Varney's next question that there is an "Enemy army, fully armed, ready to attack."

## THEY HAVE BEEN TRAINING FOR THE 'END TIMES' BATTLE FOR YEARS HERE IN AMERICA

While Mauro explains above that the breaking news at this time is that it was the election of Donald Trump as president that makes these jihadists believe that their "end times" prophecies are now being fulfilled, previous footage provides visual proof that members of Jamaat ul-Fuqra/Muslims of America have been receiving guerrilla warfare training inside "Islamberg," the 70-acre headquarters of the Fuqra organization in Hancock, NY., for years.

## BOTTOM LINE

The government documentation that can found on the new resource site, along with the multiple examples of the guerrilla warfare training being conducted at these MOA Islamic compounds, should be more than enough for the U.S. government to list the group as a terrorist organization. It is inexcusable that a number of administrations have not done so sooner.

There is only one reason that these groups have been conducting guerrilla warfare training and that is because they are preparing for war.

They are stockpiling weapons, they number in the thousands, and we have seen what just one or two assailants can do just by looking at the attack in San Bernardino, and in Orlando, which killed 49 people and injured another 50+, they believe their end times prophecies are being fulfilled with the election of Trump, they have been training for years, and they *are* planning to attack.

We can only hope that when Trump is inaugurated, he will carefully look over all the evidence and finally list Jamaat ul-Fuqra/MOA as a terrorist organization.

# MEET THE NEW PRESIDENT Be Not Deceived! A Picture is worth a 1000 words!

There is no doubt that Donald Trump is part of the Illuminati, as is Hillary Clinton. That he gives secret hand signs often in public is a fact.

The simpsons predicted ebola, super bowl games, 9/11, and the trump election. In the show the citizens suffered horribly when he got elected. Makes me more scared!

We have seen the same prediction of the events of 9/11 in advance, this one aired in 1997.

It was planned for Trump to be elected as seen in predictive programming time after time in the **Illuminati controlled cartoon, "The Simpsons,"** as well other popular programming. It's NOT the only one, but it is a clear narrative of what they had planned! Don't for a minute think this is just a "children's cartoon." This is one way the Globalists are telling you they have control of all your entertainment and are giving you clues and conditioning you.

The **Simpsons** comes from the term "**Sons of Sem**" or "**Sons of Semites**" or **Sems-Sons**. While Shem and his sons are of biblical antiquity, the Semite (not shemite) is of much more recent origin, dating from 18th century Europe. The notion that some languages may be related to other languages was by no means new. Already in ancient times Jewish scholars were aware of the kinship between Hebrew and Aramaic; in medieval times they were able to perceive and even make use of the similarities -between Hebrew and Arabic in their studies of grammar and lexicography. But it was not until the development of comparative philology in 18th century Europe that the notion of families of cognate languages emerged and developed. So the Semites had languages that related to "other" languages. For the "Simpsons" cartoon, that means "hidden" languages relating to "known" languages.

## Coincidence? (nope)

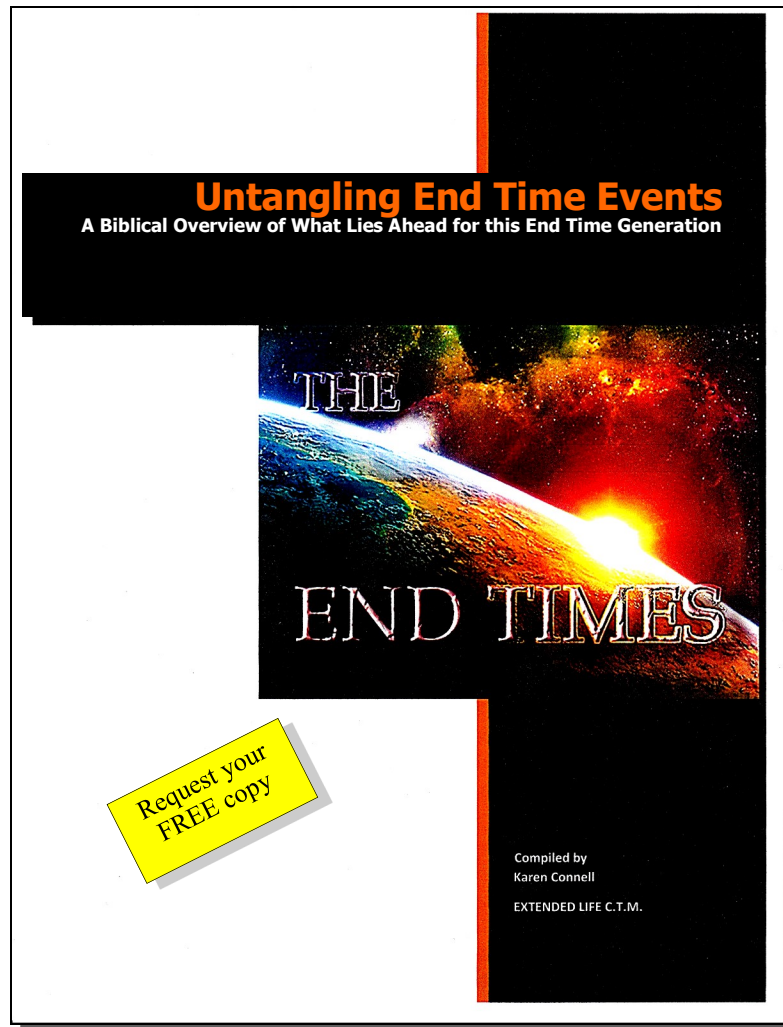

March 19, 2000 an episode of the Simpsons [S11-E17] "Bart to the Future" predicted that Donald Trump would be a president. It was 16 years ago that Donald Trump was mentioned as the president in this episode of the Simpsons.

**Still think the American People elected Trump?**

## **Donald Trump & the Illuminati DVD**

One segment of this video reveals Donald Trump's connections to the Illuminati. It also gives the lineage of his great grandparents who were Ashkenazic Kabbalistic Illuminati Jews from Khazar, Georgia in Russia. This brand of Jews are Semites (not descendants of Shem--which is Abraham's lineage). The Ashkenazic Khazar Jews were 1st century converts to the Satanic cult of Judaism. This explains and confirms Trump's association with Kabbalah Judaism and Illuminati Zionism.

### **Untangling End Time Events** **WATCHMAN REPORT**

There are two main reasons for the many conflicting end time views that cause so much confusion and strife among Christians. The first reason is that a great number of false teachings and teachers have invaded the church throughout the centuries—and even more so now in this last “end time generation,” in which the Bible tells us that lying and seducing spirits would be unleashed bringing “doctrines of demons” and many damnable heresies. The second reason for so many conflicting views that have created such a tangled mess of end time doctrines, is the fact that those who claim to be Bible Scholars were not being taught by the Holy Spirit. Their eschatology came from man’s private interpretations of the Scriptures and were not inspired by God. The Bible is clear about the fact that certain revelations concerning the end times were not to be understood until the end times, which is the generation we are now living in. This report lays a sound Biblical foundation for important end time doctrines.
