THE JEZEBEL AND AHAB SPIRITS

END-TIME PRINCIPALITIES

KAREN CONNELL

NEW DVD & BOOK! The Jezebel and Ahab Spirits

This book needs to be in the hands of every professing Christian because there is a lack of knowledge as to how the ruling principalities known as the Jezebel/Ahab spirits are controlling our modern world, for this is a **MIND CONTROL SPIRIT** causing the faith of sincere Christian's to become shipwrecked in these end-times. In this study you will find out how to do effective spiritual warfare against these powerful blaspheming ruling principalities. This is crucial for every true believer and follower of Jesus Christ, if they are to survive what lies ahead in the dangerous and deceptive days of this last generation before the return of our Lord and Savior!

SOUGHT OUT—SEALED UP—and SAVED

(Ezek 9:4)

And the Lord said Go ... and set a mark upon the foreheads of those that sigh and that cry for all the abominations that are being done...

There is a large segment of Christian believers who serve God, who minister through acts of love, and who have genuine faith in Jesus Christ. Yet, these same people, who have started out very sincere in their faith and in their love and service for God, have now fallen prey to

powerful wicked principalities that have conned and bewitched them through the power of witchcraft and sorcery. I am referring at this point to the spirit of Jezebel. This is an ancient principality that has been around since the fallen angels rebelled against God. Their influence has shipwrecked the faith of many through false teachers and prophets. Jesus revealed the workings of this spirit:

(Rev 2:18-20) "And to the angel of the church in Thyatira write, 'These things says the Son of God, who has eyes like a flame of fire, and His feet (i.e. the means for treading upon) like fine brass (i.e. symbolizes sorcery)... 'I know your works, love, service, faith, and your patience; and as for your works, the last are more than the first... Nevertheless I have a few things against you, because you allow that woman JEZEBEL, who calls herself a prophetess, to teach and seduce My servants to commit sexual immorality and eat things sacrificed to idols.

“5” Apostate Traits of the Jezebel Spirit

The spirit of Jezebel is the spirit behind the great endtime apostasy. It is camouflaged by seemingly good looking works —love —service —faith and patience. Many believe Jesus is commending the church in Thyatira for these things, however Jesus is **NOT** commending them for these things. Notice, His “eyes like a flame of fire” thus, revealing he is discerning and judging these things to be false acts that are motivated by Jezebel—the spirit behind false worship (service). I

want to look more closely at the five things Jesus mentioned above, concerning the church being ruled by the Jezebel spirit. Great deception is associated with these five things that are found among apostate ministers and ministries that “look good” to those being deceived by them.

#1 WORKS ...Apostate churches (as well as individual Christians) that are ruled by Jezebel have MANY good looking “works”—such as programs, productions and products—to promote their false apostate ministries, teachings and prophets.

#2 LOVE ...The Jezebel spirit has also perverted the idea of “love” so that Christians now believe it is “not loving” to make God’s

people feel bad or uncomfortable by exposing, correcting or rebuking them concerning their sin and deception. As a result sexual sin, idolatry and false teaching and false prophets along with witchcraft are rampant in modern day Christianity. It has opened the door to many false gospels and seducing and deceiving spirits.

As a result, many who think they are involved in “service” (or ministry) are being used to seduce God’s people by teaching pseudo “faith” and “dominion” messages that have elevated Christians to the position of being “gods” who can “speak and believe” things into existence and by taking dominion over anything they want to control or change. All of the many “works” associated with these false faith and dominion teachings (i.e. prophecies, prayers and preaching) are also based upon faith in a **false gospel and another Jesus**. Don’t believe me? Seek God’s Word and research what is really being taught and find these things out for yourself. I personally sat under those who were teaching the false Gospels that present “another Jesus” for many years! It wasn’t until I had my eyes opened, by getting free of the Jezebel influence in my own life, that I discerned these false teachings that were contrary to the truth of Scripture.

#3. PATIENCE ... “patience” is mentioned by Jesus in (Rev 2:19) and is a Greek word, which according to the N.T. Complete Word Study Dictionary, literally means to *endure* or to show “**tolerance**” for something or someone, which in the context of (Rev 2:19) it refers to... TOLERATING the Jezebel spirit. Tolerance is something Satan has keenly promoted in this generation as a *worldly virtue*. Tolerant people don’t “judge anyone.” The saying “DON’T JUDGE ME” is heard everywhere. But that is not what the Bible tells Christians to do. On the contrary, the Bible says ... **(1 Cor 2:15) But he who is spiritual judges all things...**

This false concept of tolerance has now invaded the church and now deceived Christians are tolerating sins like abortion, homosexuality, adultery, greed and not to mention numerous pagan practices, including that of making an idol of being a “priest” (pulpit minister). This is why TV ministers are idolized and worshipped (served) by their followers and the Scriptures are no longer the standard for truth that exposes their false teachings. Idol worship is self-centered, focusing on what a person can get from serving an

idol that promises good fortune, prosperity, long life, and success and of course power and prestige. This happened to God's people when they fell into idolatry. They expected to gain these self centered things when they fell into idolatry in the Old Testament.

However, the worship of the true God is just the opposite. True believers are to be selfless rather than self-centered. Instead of expecting God to serve us, we are to serve him, expecting nothing in return. We serve God for who he is, not for what we get from him. The false worship mentioned above, again are traits of the Jezebel spirit within apostate Christianity that is ruled over by the "great whore" of (Rev 17:1). We can see the spirit of Jezebel at work in the Old Testament through Korah, who rebelled against Moses and Aaron and his sons the Levites, who were selected by to be priests.

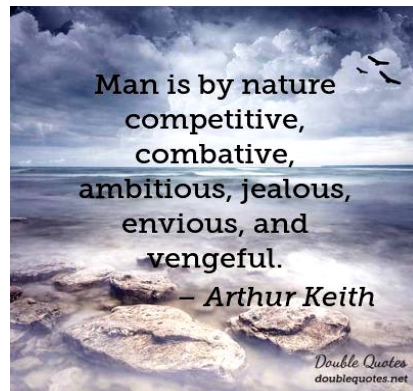

Korah and his associates as mentioned in (Numb 16:1-10) had seen the many advantages of the priesthood in Egypt. Egyptian pagan priests had great **wealth and political influence**, something Korah wanted for himself.

Korah may have assumed that Moses, Aaron, and his sons were trying to make the Israelite priesthood the same kind of political

machine (which now operates in apostate churches), and he wanted to be a part of it. He did not understand that Moses' main ambition was to serve God rather than to control others

for self-serving reasons. Moses discerned their true motivation—these Levites wanted the power of the priesthood. Like Korah, those under a Jezebel spirit are often jealous and competitive and covet what others have such as Korah, who desired what God has given to Aaron. Korah had significant, worthwhile abilities and responsibilities of his own, however, his ambition and greed for more caused him to lose everything in the end. Inappropriate ambition is greed in disguise, which is definitely a Jezebel trait. A study on Jezebel in the Bible reveals much about how this spirit operates (see this month's FREE Jezebel package offer). The spirits of Jezebel and Ahab are empowered by carnality. Those who are carnally minded (who follow the flesh or carnal human nature) will be ruled and ultimately

destroyed by the Jezebel spirit! What Moses said to Korah, is an important key for understanding what God is looking for in His true remnant Bride. The true remnant Bridehood saints are **SELECTED** as **SEALED SERVANTS** for God's people (i.e. those who are born again). These sealed servants are represented by the Old Testament "Levites" who were specially selected out of the congregation of God's people (representing the New Testament Body of born again believers) to serve (i.e. minister to) God's people. The Levites who lived in the "Tabernacle of God" represent the "chosen Bridehood Saints" who live in the heavenly tabernacle the "New Jerusalem." They are those who have been chosen, cleansed and consecrated by God to serve His people (i.e. God's congregation) just as the sons of Levi in the Old Testament.

(Num 16:8-10) Then Moses said to Korah, "Hear now, you sons of Levi: Is it a small thing to you that the God of Israel has separated you from the congregation of Israel, to bring you near to Himself, to do the work of the tabernacle of the Lord, and to stand before the congregation to serve them... and that He has brought you near to Himself, you and all your brethren, the sons of Levi, with you? And are you seeking the priesthood also?

The Old Testament priesthood is a ministry position of responsibility that corresponds to the offices of Apostle, Prophet, Evangelist, Pastor/Teacher. These positions are God appointed, not man appointed ministries. The Jezebel spirit has planted many tares (false ministers) within God's field (the Body of Christ), who are posing as "God appointed ministers." In these endtimes we need God selected, sanctified ministers to lead and guide us if we are truly to be saved from what lies ahead!

Selected and Sealed

God is looking for true servants among His born again ones who have "come out from among all that is carnal" and who have God's heart and His perspective concerning all of the horrible wickedness in this world:

(Ezek 9:4) And the Lord said Go ... and set a mark¹ up on the foreheads of those that sigh and that cry for all the abominations that are being done...

¹ OT:8420 *tav* (tawv) CWSD: it was a sign of exemption from judgment.

Hurt not
the earth... till
we have **sealed**
the **servants**
of **God** in their
foreheads.

The above verse also reminded me of the following verse:

(Rev 7:2,4) And I saw another angel ascending from the east, having the seal (i.e. mark) of the living God ...And I heard the number of them which were sealed: and there were sealed an

hundred and forty and four thousand of all the tribes of the children of Israel.

From the above text concerning the 144,000... I recently was given more insight as to who these are. I have come to see this number 144,000 as representing the Bridehood Saints of God. I say this because the number 1000 in the Bible represents God's eternal Covenant with His eternal people.

(1 Chron 16:15) Be ye mindful always of his covenant; the word which he commanded to a thousand generations (i.e. eternal people). (see also: Dt 7:9; Ps 105:8).

The Bride of Christ then, is made up of "eternal people" whose home is the "New Jerusalem" (see: Rev 21:9-14). We are told the New Jerusalem has twelve gates (representing the twelve tribes), God's Holy Nation. In Bible typology the number "12" represents authority, and the word "gates" also represents authority and power. Thus the twelve tribes represent aspects of God's authority.

The New Jerusalem also has twelve foundations (representing the twelve Apostles) upon which the Holy Nation is built with Jesus Christ as the Head cornerstone. Together these represent the Old Testament Covenant (with Israel) and the New Testament Covenant (with the seed of Abraham) or the Holy Nation meaning those born again from Abraham's seed (i.e. Jesus Christ).

(1 Peter 2:9) But you are a chosen (specially selected) generation, a royal priesthood, a holy nation...

(Gal 3:29) And if you are Christ's, then you are Abraham's seed, and heirs according to the (covenant) promise.

Summing It All Up

If you take 12 O.T. tribes x 12 N.T. apostles this = 144. 144 + 1000 (representing the eternal covenant) = 144,000, which I see as representing God's "eternal ruling covenant people", called the eternal Bridehood saints.

The Bridehood Saints² then, are those parts of the Body of Christ that have been sanctified, separated and fully consecrated (dedicated) to God's purposes now and on into eternity. Thus, they are the *extension* of Jesus Christ as servants of God, who cause the body of Christ to be *enlarged* through their *life giving* ministry and by the *continuation* of the "greater works" of Jesus here on earth (eternally).

The Saints (set apart ones) have counted the cost and are willing to pay the price for holiness, by dying daily to their carnal nature, and choose instead to live according to God's Holy Spirit. This qualifies them to be selected and sealed (marked) by God to be among the saved (144,000 representing the) Bridehood Saints of Christ. Thus, the true Bride will not be harmed by God's judgments.

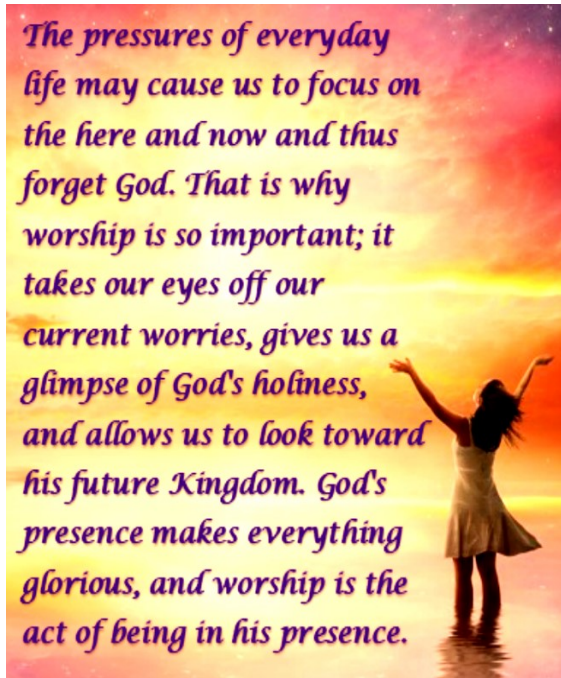

(Rev 7:2-4) Then I saw another angel... saying, "Do not harm the earth, the sea, or the trees till we have sealed the servants of our God on their foreheads." ...And I heard the number of those who were sealed. One hundred and forty-four thousand of all the tribes of the children of Israel were sealed.

We are in a season when God is "calling many out of darkness"—those who have been deceived and especially those who are God's prodigal children, before the tribulation judgments begin. God has been using and will continue to use the many sever trials in their lives—to *draw them* back to Him. As with the prodigal son in the Bible, they are seeing their pigpen for what it really is and answer the call to serve. God is getting His Bride ready, and many are hearing God's call at this time. He is drawing them to Jesus. **(John 6:44) No man can come to me, unless the Father which has sent me draw him: and I will raise him up at the last day.** These are about to be "raised up" for they are reaching their "last day" or the "day" when they finally have reached their "end." I recall

² The remaining portion of this article is an excerpt from the October 2016 TRUMPET SOUNDS Newsletter entitled SEPARATION OF THE BRIDEHOOD SAINTS

my “last day” as a prodigal, when I finally reached the “end of my rope” and fell totally repentant on my face before the Lord, and He truly “raised me up!”

SAINTS: Spiritual Warrior and Agents of Conversion and Sanctification

The pressures of everyday life may cause us to focus on the here and now and thus forget God. That is why worship is so important; it takes our eyes off our current worries, gives us a glimpse of God's holiness, and allows us to look toward his future Kingdom. God's presence makes everything glorious, and worship is the act of being in his presence.

Those who are being called to live closer to God, by answering His call to sainthood—will especially have conflict with the forces of darkness in a degree far more severe than those who are just interested in remaining in their comfort zone and are satisfied with living at a greater distance from Jesus Christ. Remember, there are just as many degrees in overcoming as there are degrees in God's grace (His power, gifts and favor). When it comes to these things, God is not interested in

equality—as demonstrated in the parable of the talents. Some think it is not “fair” if all things are not “equal” when it comes to God's dealings with us— God is God and He alone determines the degrees of rewards and fiery trials we receive.

In any case, Bridehood Saints understand that their place is in the front of the battle facing their spiritual enemies, because they, like the O.T. Levites, have been chosen from among the whole to be the special servants of God. The Levites were the “first fruits” who were to go out in front of the army—blowing the trumpets, shouting and praising and being clothed with the beauty of holiness (2 Chr. 20:19-22).

Spiritual battles are fought in the minds of people, because the mind controls our desires, decisions and destiny. As such, the Bridehood Saints as spiritual warriors, fight these battles for the souls of people through their prayers, fasting, and through watching and giving out warnings, concerning enemy lies concerning the

times and circumstances the unlearned and undiscerning don't comprehend. There has always been a company of warring saints that have been on the forefront of spiritual warfare in every generation. These are the true overcoming Bridehood Saints who are the true **AGENTS OF CHANGE!**

These are God's specially equipped spiritual servants who are used to bring about a true conversion (transformation) through their ministry of sanctification (purification) in the lives of God's people. True Saints are the most interested in the welfare of the universal body of Christ and seeing to it that they are equipped and perfected (matured). In every church assembly on earth and throughout every generation there has always been a "few" who are more spiritually hungry and discerning than the rest. They are a small minority, usually misunderstood and considered the least in importance and without worldly power and prestige, and not often highly educated by the world's standard. But these tried and true Saints are the genuine fathers and mothers of Zion. They are in the truest sense the "elders" (pillars) in the church of God—elders through the anointing of the Holy Spirit and not just because someone has appointed them an elder in some local assembly.

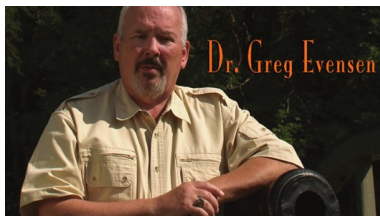

True parental Saints, have a rare gift of grace, which is very scarce in many parts of the universal body of Christ today, because they carry the burdens of our Lord for the deceived, devastated and backslidden among His universal body. They truly cherish all who "name the name of Christ" and desire to see them come to wholeness through the knowledge of the truth that will bring healing and deliverance in order to become Saints in the Bridehood Christ.

The Bridehood Saints of the Most high God, have turned their backs on this world and its ways in order to accept the high calling of God. They are truly the **SELECTED—SEALED—SAVED** servants of the Most High. †

I'M TIRED AND I WANT TO GO HOME

By Greg Evensen

November 24, 2012

<https://www.newswithviews.com/Evensen/greg177.htm>

We sing God Bless America with tears in our eyes and feel so righteousness in doing so. God simply cannot comply with our false humility in the wake of such abject evil in our midst.

We say "In God We Trust" and print it on our money yet God is nowhere in sight. He has moved out of the way so that we can pursue our lunacy and perversion. We cannot even choose a viable government let alone understand the depths to which our shallow lives have fallen. The hammer is about to fall on the incredibly foolish American nation. We have sealed our fate and elected to go hand in hand with the destroyer of worlds down the road to utter devastation. That is a gross understatement and will be fully realized in the short weeks and months to come. Fiscal cliff? How about social, political, monetary, free choice and destiny abyss.....a bottomless pit of no return? That is your future. No parachute of hope and change will do this time.

The whole Luciferian agenda of the past 7,000 years has never faltered a step. For reasons known only to God, we have been given an opportunity to be a part of the last great chapter called the human race. In my view, we must agree to wage the war that has been bullied into our face. How you wage it is up to you, but you will be forced to fight, like it or not. Some will run, others hide, some will go over to the enemy and still many others will fight, just because they have no other choice. **MARK MY WORDS!** There's a fight coming. "Fix bayonets, gentlemen, prepare to defend yourselves," as Sgt. Major Plumley so famously commanded at landing zone X-ray, Viet Nam. That 1965 quote is known to those who face immediate death in hand to hand combat. There will be no quarter (mercy) shown. The government is bent on absolute control, absolute power and absolute enslavement of the American nation. **NOTHING LESS WILL DO NOR WILL THEY ACCEPT!!!** Do you have supplies? Do you have meds? Do you have the means to defend yourself? Can you survive a winter blackout? (Ask those in New York and New Jersey) Do you even have matches? The list is long and your preps may be few. The mantra repeats itself here over and over. **ARE YOU READY??**

My eyesight is fading away from an event of two years ago. I have difficulty reading and distinguishing three dimensional depth. I have endured injuries while a police officer that I have not fully recovered from and now haunt me again. I have lost strength and stamina. My time of peak performance is long past. However, my commitment to my family, friends and community is stronger than ever. I will stand my post until relieved or I die. I will lead by example even if I stumble. I long for the day when I can say, "I was blind, but now I can see." I pray that God will allow me to continue to teach those who want to learn about surviving and pushing back under stress a bit longer. I do not flinch in the face of the adversary, nor shrink in the presence of the enemy. My God uplifts me and gives me strength to see and to fight. You see, that is the **REAL** issue here. It is being willing to stand for what is right even if no one else is standing with you. I am tired and I want to go home to rest with my family and friends. I want to be left alone. I do not want to hear the sounds of battle ever again. As tired and weary as I am, I am not quite ready to swing on the porch just yet. Home is where the heart is. Just give me a field of fire and targets of opportunity. That will give me a real sense of final application of a lifetime of skills and experience.

One word of caution, do not stand in front of me in defiance and seek to harm my family. Even with bad vision, it will not be a good day for those that try to inflict tyranny and attempt to disarm me.

I need to regain my focus and commitment to battle one more time. That is what I desire for you as well. Those of you who understand what I have said and those who understand where I am, regroup, don't quit. Weariness and injuries are a temporary problem. Living to fight and to die without cause or a spiritual eternity lost in hell is the consummate waste of your life's effort. **Plan more than anything to know Jesus now and forevermore.**

Share the time you have left with those you love so that the love you knew will last through the ages. Leave the things of life that do not count and pursue the things that do. America was murdered. She cannot be brought back. Pray that people may still live free where they are. In the end, "Free America" may be a few square miles of where you now reside.

We who have fought the good fight, run the race, endured to the end, are free indeed. That kind of freedom cannot ever be taken from us. Resist the evil around you, pray for salvation from this fallen world. Give your prayers for those who need deliverance from it, from sin and slavery. Veterans, former police officers, preachers, fellow citizens, that must now be our primary and perhaps, final mission. So, one last time, "FIX BAYONETS! STEADY....TO THE END."

God's people need to know the truth: they are being led astray by BLIND WATCHMEN

By Nathan Leal

<http://watchmanscry.com/?p=6530>

Being a watchman is not for the blind. The watchman is supposed to look and report what he sees. It's a simple job. If the watchman sees something, they're supposed to inform the people. God is clear about this, because if a watchman sees something and denies it, they will suffer at the hand of God. This takes us to another requirement – Denial. A watchman cannot deny what he sees. They cannot hide it. They cannot pretend that it is not there.

Obama

Eventually George W. Bush left office. Obama took over and the evangelical church became very concerned. Conservatives became vigilant in their Obama watch. The reporting on Obama's evil was endless. A lot of folks suspected that he would be the last president. I myself wondered about it, but I wasn't sure.

Why? Because during Obama's presidency, God gave me a prophetic dream about a future president. I saw a glimpse. There was a mob that gathered in the night. They were holding torches. They were angry at the president and wanted to hurt him. In my prophetic glimpse, I also saw the Secret Service in division. Some of them also wanted to hurt the president. They were in a shootout, the president was cowering in a corner, so I could not see his face. It was toward the wall. A Secret Service agent had a gun pointed at him, but in my dream, I stood between the president and the agent. I told the agent not to hurt him. The dream was over.

I have shared this dream over the years, and I do believe that at some point, the atmosphere of chaos will arrive in America where citizens will want to hurt politicians. I don't know when it will happen, but I believe it will. I also must include this. In my dream the president was a white guy. I saw this during Obama's reign. So in my heart of hearts, I always suspected that Obama was not going to be the last president. However, I did not trust Obama, nor did I trust Hillary, and I openly stated this many times.

America is in Judgment

Over the years, I also continually shared something else – America is under judgment. If you have been with us since the beginning, you probably heard me say it. The message from this watchman has been that America is under judgment. I have shared that the judgment will occur in four categories: famine, pestilence, the invasion of evil, and eventually war. I still maintain that warning. Why? Because at no point during Obama's reign did America ever repent. In fact, the opposite happened. Over the past several years, the American church got slimed with a weird theology; the Dominionist – NAR (New Apostolic Reformation) – Kingdom Now – Seven Mountain theology incubated in the church, and the clerics of this theology contaminated evangelicals with the doctrine of demons. The Seven Mountain theology claims that before Jesus can come back, the church must take over the world and basically supply Jesus with a spiritual helipad so that He can land His white horse. Of course, this theology cannot be found in the Bible, but that doesn't seem to matter. A lot of Christians now believe it. Why? Because they have not studied their Bibles and sadly today, we are witnessing a famine for the Word of God.

Another Republican

Which brings us to the present. When Donald Trump showed up on the campaign trail, I did not know what to make of his rhetoric. Why? Because over the last several decades, Donald Trump has shown us what he is all about. He has a record. He has fruit. And folks, his record stinks to high heaven with shenanigans that have hurt a lot of people. I'm not making this up. There is documented proof about this that is exhaustive. But I still was not sure. Did he change? I wondered. Is he sincere? Is he really a Republican? Is he really a conservative?

I took it to God. I asked Him to show me the truth and He did. During Trump's campaign, I had a prophetic dream where I saw a creature fly over America. The creature had pterodactyl looking bat wings. It was orange. It had leathery skin. It glided over America. And get this, the creature had Donald Trump's face. What does this mean? I asked God. I wanted to understand. God answered. He told me that a spirit of deception had gone over America.³ It was a very powerful principality and it had a job to do which was – Deceive the country and deceive the church about Donald Trump. Why would God allow this? It's Bible prophecy.

“And with all deceivableness of unrighteousness in them that perish because they received not the love of the truth, that they might be saved. And for this cause God shall send them strong delusion, that they should believe a lie.” (1 Thess. 2:10).

³ For more information on this dream request the DVD series NAGAL: the Demonic Prince Over America”

A crash is coming

It will happen when most people think that all is well... the collapse is coming in spite of Donald Trump being the president, it is still coming. He will not be able to stop it. If for some reason Trump leaves office, Pence won't be able to stop it. Regarding Trump at the helm during the collapse, I have suspicions that he knows it's coming and was purposely chosen to navigate America through it. It is coming folks. Why? Because America is under judgment. During Trump's campaign, the Seven Mountain clerics went full force with their deception. They issued false proclamations about Trump. They told the church that Trump was Cyrus. Some of the clerics also claimed that Trump was a number of other biblical heroes, like John the Baptist, David, Samson, Elijah, Nebuchadnezzar, etc.

Mark Taylor, the retired fireman, was promoted by several of my ex-colleagues. Taylor then teamed up with lady-cleric Mary Colbert and they wrote a book about Taylor's false prophecy. Mary Colbert promoted Taylor to the next level and slimed the church with his false words. **Jim Bakker** swallowed it up, the church swallowed it up. Why? Because someone didn't read their Bible. Then it became weirder and weirder. Some of the voices that I respected in the past, also swallowed the Mark Taylor Kool-Aid. They jumped on the Trump – Cyrus train and promoted a lie.

How could these things be? How could people who call themselves watchmen look to the horizon, and ignore what they see? It is because being a watchman is not for the blind, and it takes bravery to stand for truth. It takes bravery to stick to the truth no matter how unpopular it is. It takes bravery and courage to not

allow oneself to be tainted by popular trends. How can it be that during Obama's reign the watchmen spoke out about things like the Bilderberg meetings, Goldman Sachs, CFR, the Illuminati, political corruption, the Hegelian Dialectic, but now those things are ignored. Donald Trump claims to be an outsider, but reality reveals something else.

His administration is full of insiders. It is full of Goldman Sachs, CFR, Rothschild, Skull and Bones men. This is the truth folks. Trump meets with the elite regularly. Several years ago, these watchmen spoke out about the elite. They spoke out about the globalists billionaires of the world who influence government policy. But now, those same globalists' billionaires are riding in Air Force

One with Donald Trump. Alex Jones used to scream about this... But now, Jones is a Trump apologist and blames everything on Deep State. Ladies and gentlemen, Deep State is a farce. I am not saying that it doesn't exist, but it is in the White House. The members of Deep State are the globalists.... These are the same people who are guiding Trump. †

Washington State Fusion Center (WSFC) accidentally releases records on remote EMF mind control

As part of a request for Freedom of Information Act (FOIA) records on Antifa and white supremacist groups, WSFC also included "EM effects on human body.zip"

Bio_Electromagnetic

When you send thousands of FOIA requests, you are bound to get some very weird responses from time to time. Recently, we had one of our most bizarre gets yet - Washington State Fusion Center's accidental release of records on the effects of remote mind control.

As part of my ongoing project looking at fusion centers' investigations into Antifa and various white supremacist groups, I filed a request with the WSFC. I got back many standard documents in response, including emails, intelligence briefings and bulletins, reposts from other fusion centers - but then there was one file titled "**EM effects on human body.zip**." So what does EM stand for and what is it doing to the human body? So I opened it up and took a look. You can see the following diagrams.

EM stands for **electromagnetic**. What you are looking at here is "**psycho-electronic weapons**" that purportedly use **electromagnetic radiation** to do a wide variety of horrible things to people, such as reading or writing your mind, causing intense pain, "rigor mortis," or most heinous of all, itching, allergy symptoms and skin rashes. Other symptoms also reported are headaches, anxiety, suicide and depression, hearing loss, nausea, fatigue and loss of libido. One diagram lists the various forms of torment supposedly made possible by using remote mind-control methods, from "forced memory blanking" and "sudden violent itching inside eyelids" to "wild flailing" followed by "rigor mortis" and a remotely induced "forced

orgasm". It was not immediately clear how the documents wound up in the agency's response to a standard FOIA request. -End of article-

KAREN'S NOTE: For the past year or so I have experienced the symptoms that are underlined in the above article, as well as feeling "zapped" by electricity that has woken me up from my sleep. I suspect I am being "targeted" ... also Garry has been hearing a humming sound at night for several years now, so I am now more than ever convinced we are being targeted.

KAREN'S NOTE: At first I debated whether or not to include this information on EM radiation in this newsletter, until I received a phone call from a friend, while working on this article, asking me if I had any information on people being targeted with some sort of frequencies in their sleep. My friend said they knew of a person that felt they were being targeted. They were waking up with burn like red patches on their face. This person being targeted is aware of how MK Ultra is involved in targeting innocent citizens. Suspecting I had been targeted, I knew the Lord wanted me to include this information in this newsletter because others in my area are being targeted also. Following is an article by Dr. Spencer that gives more insight into what is happening to us by our government. **For more information also see this months FREE EMF DVD offer.** The Lord gave me a prophetic word in May of 2015, concerning mind control attacks! **(Request a FREE copy of this prophetic word on how to be protected)** or read it online at: https://www.extendedlifectm.org/uploads/1/5/2/5/15250278/prophetic_warning_may_2015.pdf

Neurologist Dr. Ed Spencer reveals neurotech experimentation, covert implantation

JANUARY 7, 2018

To: Neurologist and Neurosurgeons

Dear Colleague:

I have only recently become aware of an enormous deficit in our neurology education. This is the massive amount of information on the effects of **electromagnetic radiation** on brain function.

During the last ten years of my practice I have seen a number of patients with symptoms they attributed to **remote electronic attacks**, and I have been perplexed. Frequently these patients are labeled "crazy" as there is no physical evidence to support their allegations. Now, after reviewing the information available on the site listed below, it appears that we are dealing with a vast weapons program hidden in secrecy, and that U.S. Citizens have been used as nonconsensual experimental subjects.

I am a graduate of Stanford University, Yale Medical School, and Neurology Residency at The University of California, San Francisco, and practiced general neurology in Sonoma County until my retirement in 2010. Prior to my retirement I encountered several

patients with symptoms consistent with electronic assault and frequently ordered imaging studies, some of which were positive for what appeared to be **small implants**. Since retirement I have worked with the International Center Against Abuse of Covert Technologies (www.ICAACT.org) and have found that many of the patients complaining of symptoms listed in: (<http://mindjustice.org/symptoms.htm>) have radio frequency emitting chips in their bodies, and they do not know how they got there. In some cases these chips have been localized by imaging studies and surgically removed. Without having some knowledge of such technologies, the neurologist is clearly hobbled in effectively practicing neurology, the diagnosis and treatment of psychiatric problems exceedingly difficult, and in some cases, almost impossible.

Of peculiar interest and critical importance is the study by John Mack, M.D., Harvard psychiatrist, of alleged alien abduction events, which began in 1960. The subjects of his studies reported similar experiences, such as: 1) Seeing "aliens" with large heads and completely black eyes; 2) Being forced into sexual experiences; 3) Feeling absolutely powerless; and 4) being warned about impending ecological catastrophe brought on by human activity. The human examination techniques reportedly employed by the aliens seem curiously primitive, as do their spacecraft. Interestingly, the abduction phenomena began in 1960, which correlates with the introduction of super computers.

Rather than actually being abducted, one must consider that these "abductees" may have been subjected to "EEG heterodyning and other psychotronic technology." John Mack, M.D., did not know about this technology when he wrote his books. The NSA and other alphabet agencies continue to build enormous facilities (i.e. UT Data Center) ostensibly to mine data on all of us. In addition to data collection, I suspect these incredibly expensive facilities are for Mind Control operations.

KAREN'S NOTE: You take action against the Body Penetrating Effects of Electromagnetic Fields. Personally I do have an EMF meter, and recommend this site for further protective measures. For EMF Meters and EMF Shielding Products go to: **The EMF Safety Shop** at: <http://www.lessemf.com/> OR watch videos at: <https://www.youtube.com/watch?v=cmS5pVEZHgz>

To learn more on people being targeted I also recommend reading this article written by a woman who worked for Microsoft and became an EMF target. Request a FREE copy of This article entitled: *MIND GAMES: THE TORTURED LIVES OF 'TARGETED INDIVIDUALS'* or go to: <https://www.wired.com/story/mind-games-the-tortured-lives-of-targeted-individuals/>

What is our government doing to us?

Why is EMF radiation being used as a weapon on US citizens? What is Radiation? Can cell phones really cause cancer? Shaheed Basheer Qahir will clarify some common misconceptions about radiation and then expose the misinformation which the FCC is perpetuating by denying the health effects from non-ionizing radiation. Along with Dr. Patrick Flanagan, He will also cover some of the non-thermal health effects from non-ionizing radiation and how the CIA has used Electromagnetic Radiation as a tool for **Mind manipulation and control.**

THE JEZEBEL AND AHAB SPIRITS

END-TIME
PRINCIPALITIES

KAREN CONNELL

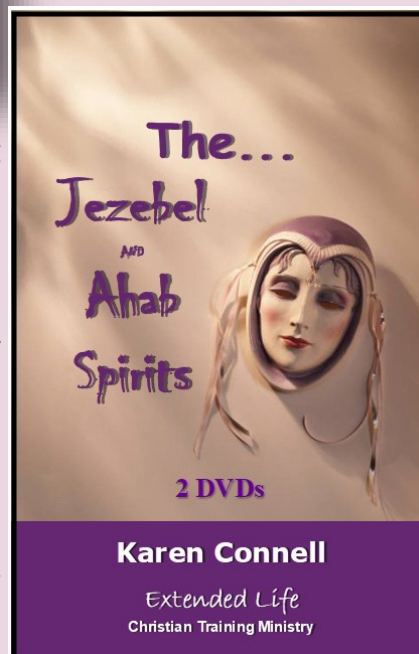

Many people—including professing Christians, can come under the influence of a spirit called Jezebel. This spirit is not just a female issue—both males and females can come under the **MIND CONTROL** manipulation of this demonic power. Karen has dealt extensively with these spiritual influences and shares insights on what she has learned experienced in her deliverance and counseling ministry. God has called her to

inform, train and equip the body of Christ with prophetic insight and revelation from God's word, on how to receive freedom from the spirit of Jezebel. This spirit is part of the anti-Christ trinity used by Satan in these end-times to seduce and deceive God's people. This series will unmask how this spiritual influence works to establish a stronghold in the life of an individual, a territory and in a nation.
