GOD'S LOVE
The Foundation for Our Perfection

Receiving and experiencing God's love is the foundation for transforming the human heart. God's love is the essence of who He is. His love is the foundation for developing true fellowship and an intimate relationship with Him and it is also the basis for true fellowship among the Body of Jesus Christ. This 4CD teaching series addresses many of the key issues regarding demonic tactics that hinder a Christian's ability to understand and experience God's love. This series looks at love from God's perspective—as revealed from His Word—rather than the warped perspective of our godless, secular cultures. Receiving and giving God's love is the key to activating true faith—which testifies to the reality of who God is—for **GOD IS LOVE!**

Are You Experiencing True End-Time Fellowship

By Karen Connell

Eph 5:11
And have no fellowship with the unfruitful works of darkness, but rather reprove them.

The average professing Christian today has a very limited understanding, if any at all—concerning just how apostate (and dangerous) modern day Christianity really is. What most know as Christianity today, has very little—if any resemblance to what we find in the Bible. Those whose faith is founded upon personal “spiritual experiences,” soulish emotional thoughts and feelings—or the traditions and teachings of man-made denominations—rather than loyalty to the

integrity of the Word of God, have become captives of the prophesied great end-time deception and apostasy operating within Christendom today. Trying to inform professing Christians concerning apostasy is usually an exercise in futility, because of their inability to understand the truth. Those in this place have lost or have never known—the reality of true Christian fellowship that is needed to foster wisdom and accurate discernment. There are many, like myself, who hunger for “fellowship” with other Christians who are also in a place of true fellowship with Jesus Christ.

Those in this place of true fellowship are hearing and seeing what God the Father is revealing to them from His heart to theirs—by Jesus Christ (the Word)—on a daily basis. This means they are prepared to face what lies ahead in this final generation before the return of Jesus Christ.

Our personal fellowship with Jesus and God our Father is the *only foundation* for our fellowship with other true followers of the Lord. Biblical Christian fellowship is not created by simply coming together in a time of worship to sing songs in a church service, or by having a pot blessing in a “fellowship” hall where one can make new acquaintances or friends who claim to be Christians. These things are fine in and of themselves, but true Christian fellowship comes from the personal intimacy that each believer has with the Father and His Son Jesus the living Word of God. The Apostle John said this very thing:

(1 John 1:3)

We are telling you about what we ourselves have actually seen and heard, so that you may have fellowship with us. And our fellowship is with the Father and with his Son, Jesus Christ.

The word **FELLOWSHIP** is the Greek word NT:2842 *koinonia* (koy-nohn-ee'-ah); meaning partnership, and refers to intimate-communication, communion, to contribute-or to distribute.

Thus, Christian “fellowship” is based upon “intimate communication” that creates a close “partnership” where both parties are contributing to the relationship (partnership) by hearing and sharing what the Father is communicating from His Son (the Word of God).

There is great joy when I am able to “share” or distribute and communicate with others what I have *seen and heard from God*, and the same holds true when others are able to do the same with me. When this happens we are experiencing “Holy Communion” because the Word (bread of life) is being broken or shared among us.

This sowing and receiving of the bread of life is how the true body of Christ is knit together in loving relationship. For God is love and the Words He speaks to us are words rooted and grounded in love. Sharing what God personally speaks to us from His Word, means we are sharing His love with others, even if His words are that of correction, rebuke or reproof—they are still words of love! Love compels us to speak the truth and always speaks what is right and beneficial.

Sowing the Seed of the Word into different types of Christian “Soil”

From day one of my teaching ministry, I found that trying to share what I have heard and seen from God with professing Christians who do not have true fellowship with the Father through the Word of God—was also an exercise in futility—and how they responded to the Word (seed sown) varied depending upon the type of “soil” (heart) I was sowing the word (seed) into. The parable of the sower was in fact, the very portion of Scripture the Father gave to me the first time I was called upon to share and teach what I had heard and seen from the Word. I have seen in this parable answers as to why professing Christians remain carnal and do not produce fruit, and never become fruitful mature Christians.

How much we are able to have intimate fellowship with God as well as the quality of our fellowship with God—depends upon the condition of our heart’s “soil”—upon which the seed (Word) of God is sown. An examination of the four types of soil from the parable of the sower is very revealing.[1]

#1. WAY SIDE GROUND

Matt 13:19

When any one hears the word of the kingdom, but understands it not, then cometh the wicked one, and catcheth away that which was sown in his heart. This is he which received seed (sowed seed) by the way side (this phrase literally refers to: a certain manner of thinking, feeling, deciding)

Wayside Ground represents those who choose to have a certain way of thinking (i.e mindsets), feeling and deciding that keeps them from understanding the Word (putting it all together), thus allowing the enemy to steal the truth when it is sown in their heart (soil). They **hear** (listen to the truth) but can’t make sense of it, so it is snatched from them because they do not have intimate fellowship with the Word of God (Jesus). Thus they form and follow their own way of thinking (opinions & beliefs), feelings, and decisions— and they are not open to changing their minds, therefore they represent those who choose to be unrepentant and carnal minded. Those in this place are eternally lost because the truth is not understood and cannot save them or set them free from the power of the enemy, unless they decide to seek God and change their mind.

#2. STONY GROUND

Matt 13:20-21

But he that received the seed into stony places, the same is he that hears the word, and anon with joy receives it; Yet has he no root in himself, but endures for a while: for when tribulation or persecution arises because of the word, by and by he is offended.

Stony Ground represents those who hear the Word and immediately receive it with joy, but eventually it triggers an *offense* within them because of “stones” (false teachings, beliefs or revelations) in their soil (heart), that keep them from becoming “**rooted and grounded**” (i.e. they are unstable because a faulty Christian foundation has been laid). They understand the Word, but it becomes an offense (because of lies or leaven i.e. stones) when the Word requires them to endure something they don’t agree with or like.

[1] I have defined these different types of soil according to the original word studies that are associated with each of their corresponding verses.

#3. THORNY GROUND**Matt 13:22**

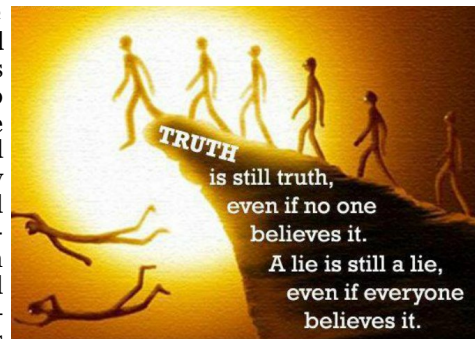

He also that received seed among the thorns is he that hears (listens to) the word; but the cares of this world, and the deceitfulness of riches, choke the word, and he becomes unfruitful.

Thorny Ground represents those who listen to the Word that is sown in their “carnal” (thorny) heart, but it bears no fruit. They are like the tree that had no fruit that Jesus talked about in (Lk 13:8). Those with this kind of a heart are ruled by their carnal nature and produce the **works of the flesh** and bear no fruit of the spirit. They are deceived by their carnal desires for control, influence, personal security, the good things in life and happiness (CWSD defines these as “riches”). These desires “choke” or overpower (i.e. take priority over) their fellowship with the Word of God, these do not have true peace and joy instead they have great internal “pressure” (conflict) and anxiety.

#4. GOOD GROUND**Matt 13:23**

But he that received seed into the good ground is he that hears the word, and understands it; which also bears fruit, and brings forth, some an hundredfold, some sixty, some thirty.

Good Ground represents those who **listen to and understand** the Word of God when it is sown in their heart. This means they are wise in their decision to honor their duty to obey or act upon the Word given to them... they are doers and not just hearers only. They become godly saints producing spiritual fruit and growth. How much fruit and growth depends upon how much wisdom (understanding) and obedience the Word is able to produce” ... some 100 fold—some 60 fold—some 30 fold—this is according to how sanctified they become, meaning how many stones and thorns are removed from their soil (heart).

***NOTE: the word “**understand**” is a key word in this parable that has many layers of “truth” (manifold wisdom) surrounding it. It is the Greek word NT: 4920 **suniemi** (soon-ee'-ay-mee); which is a compound word from—“**sun**” (together) and “**hiemi**” (meaning to put). The CWSD states: **suniemi** means to “put together”—as collecting the pieces of a puzzle and putting them together. The “understanding” mind grasps concepts and sees the proper relationship between them. This word **suniemi** denotes the wise who *hear (listen to), notice, perceive, recognize, reason things out and make sense of it all...* I find this especially interesting in light of the fact that the CWSD also states that NT: 2447 **ios** (ee-os'); is the masc. noun form of **hiemi** and **ios** (ee-os'); means: *to put, send out, or emit venom from serpents fangs; or rust as being emitted from metals*. Thus, “**suniemi**” is a veiled reference to: **putting together the puzzle pieces associated with (Satan’s) venom (deception) and rust (his destruction)**. Putting this puzzle together is indeed a very important assignment for us in these end times. Its no great revelation that when we lack understanding, Satan can deceive us and cause great destruction. When we lack understanding this means we lack discernment. As prophesied great apostasy or deception would be an earmark of the end time church.

Apostasy has Ambushed the End Time Church

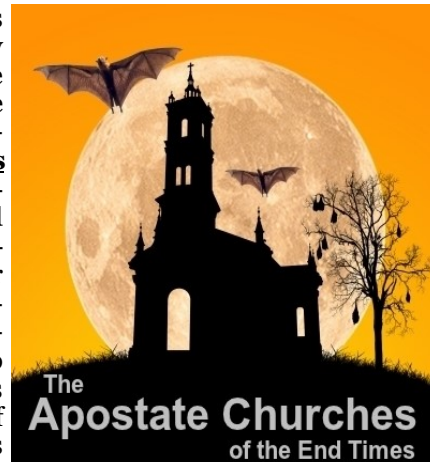

Unbeknownst to the majority of Christians today, this prophesied end time deception was planned as a covert invasion to ambush Christianity many generations ago and involves the creation of an apostate Christianity by the Illuminati. This invasion began growing in intensity in the 1800's. As Lorraine Day, M.D. in her article, *How the New World Order is Using the Christian Churches and their Pastors – to Destroy Christianity* reveals,[2] it was at that time the Rothschild family, sent a Jewish Illuminist by the name of Jacob Schiff, to America with an assignment, which included among other things, the destruction of religion in the United States, especially that of Christianity. As one of the means for accomplishing this, Schiff created an organization that became known as the NATIONAL COUNCIL OF CHURCHES that promotes ecumenicalism, which requires watering down or eliminating the true gospel and the Word of God itself.

It is important to know that Schiff was an agent of the Rothschild banking family of Europe (the financial backers for the Illuminati world wide)—because a large part of the Illuminati agenda was to infiltrate Christian churches with their **tares** (false ministers) and **leaven** (false teachings). This has certainly been achieved and is stealthily being carried out by the Luciferians, who have been sending their tares into Christian seminaries (as professors)—to harvest leaders, such as Billy Graham and many other Luciferians who would promote such things as “ecumenicalism,” “church growth” and of course damnable false teachings such as the “prosperity and dominionism doctrines” (as leaven) among the sheep.

Thus, Christianity has moved away from the command of the Lord to “feed His sheep” to that of embracing a form of Christianity that became a money making 501c3 corporation, which promotes church growth through “church planting—instead of Christian growth through being planted in true Christian fellowship, as was just discussed.

This concept actually began with the establishment of the Catholic Church and their “public open door” policy. Up until then, the early church met in small private genuine fellowships, behind closed doors, which only accepted true followers of the Lord as part of their fellowships (which in these end times is now going to be more important than ever to emulate).

It was with the establishment of the Catholic Church, which strived to make Christianity a “state controlled religion”... that this “pagan Christianity” gained great wealth and power through their leaven (unbiblical doctrines) promoted by their tares (compromising unconverted and tolerant pagan leaders). There was great “public acceptance” and promotion of a Catholic (which means “universal”) Church that was accepting of any who would pay allegiance to this man made religious institution, which in turn would grant them access to entering heaven after death.

Illuminati infiltrated

[2] I have included her article in full in the new *End Time Apostate Christianity* Watchman Report.

This empowered the Luciferians to move Christianity away from allegiance to the Word of God and towards—allegiance to Luciferian religious denominations, institutions and corporations. In order to align Christianity with the government here in the USA, the Illuminati in 1954 used, then Senator

The Lord is letting the wheat and the tares mature before he fully purges the Church. He is also testing you to see if you will be misled. The devil is trying to deceive the very elect.

— Ezra Taft Benson —

AZ QUOTES

Lyndon B. Johnson (himself an illuminist) to create the 501c3 (as leaven to harm) churches and other ministries functioning as corporations. Many saw this tax exempt status as a blessing to the church, but the reality is—it was a curse in disguise because of the “strings” (chains really) that are attached to this

“blessing.” LBJ’s political agenda was to silence churches and to eliminate their powerful influence over shaping public opinion, by threatening the loss of their 501c3 tax exempt status— if they (Biblically) addressed important issues of the day.

Apostasy has grown to where it is today because for many decades we have not had genuine Christian leaders who are truly caring for and feeding the sheep. I like to liken leaders of 501c3 churches who strive to “grow” their church, to be like permissive parents who want to be popular with their children, so they won’t correct them or uphold or enforce Biblical boundaries or standards. Instead they strive to see to it that their sheep are constantly entertained and feel good—by only feeding them comforting “good tasting” spiritual junk food diets, which keep them self-centered, spiritually underdeveloped and carnal. They are not giving them anything of substance so they can mature and Biblically deal with what the world throws at them. This apostasy has created Christians that are Biblically ignorant and spiritually dwarfed.

The “3 Phases” of Luciferian Apostasy

Apostasy’s leaven can be likened to a (contagious) disease that has attached itself to and weakened the backbone of true Christianity [3]. Hanging around a contagious person, almost insures that one will also be affected by their defilement (leaven). Leaven (what is spiritually wrong or harmful), is like mold that spreads. I know this to be all too true, as I was part of the “dominion camp,” which includes the Word of Faith and NAR movements, and it has taken me much time and great effort to rid myself of many *contagions* associated with their leaven (false and harmful practices and teachings). If nothing else, I can guarantee confusion and double mindedness to be constant companions, which hinders or prevents true spiritual discernment. That is why we are told to come out from among those with leaven, because it is so harmful and contagious... it WILL end up spoiling our whole lump (life). Many times people become infected with a life threatening disease and don’t even know it until it is too late, and has become a death sentence.

Following are “3 phases” or “stages” of Luciferian apostasy used by the Illuminati that are discussed by Timothy Alberino in his DVD, concerning

apostasy that has invaded Christianity.[3]

Phase #1 The breaking down of fundamental doctrines (the backbone) of Christianity. The invasion of Illuminati “tares” in pulpits and seminaries has taken its toll. In 1987, a survey appeared in a well known and popular ministerial periodical by the name of *Pulpit Helps*, in which over 10,000 denominational pastors were asked if they believed in the following Christian doctrines:

- The virgin birth of Jesus Christ
- The physical resurrection of Jesus Christ
- The reality of demonic powers
- The Scriptures being inspired by God and inerrant

The shocking reality is that on the average over 80% of these mainline denominational pastors denied to some degree all of these foundational doctrines. That survey was taken 30 years ago—imagine what the percentage would be now!

Phase #2 The ecumenical goal of bringing all denominations together under one “universal” religion requires eliminating certain foundational Christian doctrines and the true Biblical Gospel of Jesus Christ. This false ecumenical movement promises:

- **Peace** ... However, they say in order to have peace, we will have to take dominion through going to war. Christian Dominionists are warlords, who believe war is necessary in order to take dominion over the “7 mountains” [4] of civilization so Jesus can come back to earth. Many Dominionists are presently in the White House prophesying (NAR prophets) and advising President Trump. **(1 Thess 5:3) For when they shall say, Peace and safety; then sudden destruction comes upon them...**
- **Safety** ... In order to be safe and secure we will have to align ourselves with the Luciferian NWO. This will involve FEMA camps and Martial Law for food, shelter and for survival. How many “Christians” will compromise to receive food, water and medical attention? **(Rev 6:8) So I looked, and behold, a pale horse... And power was given over a fourth of the earth, to kill with sword, (war) and with hunger...**
- **Unity** ... In order to achieve unity, there will be betrayal against those who go counter to the Luciferian agenda, just as

[3] These 3 *phases of apostasy* are from the DVD *Apostate Christianity* in which Timothy Alberino discusses in greater detail the issues of the apostasy invasion within Christianity. To order this DVD see the DVD offer on the order form at the end of this newsletter.

[4] The NAR 7 mountains are: #1 government #2 education #3 arts/entertainment #4 commerce/business #5 religion #6 medical industry #7 family

Jesus said there would be. **(Mark 13:12) Now the brother shall betray the brother to death, and the father the son; and children shall rise up against their parents, and shall cause them to be put to death.**

Phase #3. This is the Luciferian ultimate apostate goal... the universal worship of Lucifer. Many have taught that when the Bible talks about the “false prophet” it is speaking of a specific person. However, the false prophet is depicted as a “beast”^[5] that rises up from the earth. This is a false religious system not a person as many now teach. **(Rev 13:11-12) And I beheld another beast** (apostate religious system) **coming up out of the earth; and he had two horns** (two sources of power) **like a lamb**, (i.e. apostate Christianity) **but he spoke as a dragon** (promoted Luciferian doctrine). This text goes on to say: **(vs. 12) And he** (the second beast—the “lamb” or apostate Christianity) **exercised all the power from the dragon** (Luciferianism) [who was] **the first beast before him.**

Notice this second beast, the false religious system—got its authority from the dragon, (Satan’s Luciferian NWO system) and — (the lamb, meaning the apostate religious system) caused the earth and them which dwell therein to worship the first beast (Lucifer or Satan’s antichrist system, meaning the dragon). How could this happen? It is because he (Lucifer and his Luciferians i.e. the dragon) control the world’s peace and safety (i.e. the money and life sustaining food-water-shelter), to have these—people will have to come into unity with the apostate religious system—and his 666 antichrist system—thus posing as a “lamb” (apostate Christianity), but will in reality be speaking as Luciferians.

The Apostate LAMB

Watchman Nathan Leal does an excellent job of teaching on the beast of **(Rev 13)** that caused the world to worship (serve) the dragon. He emphasizes that the 2nd beast *looked like* a “lamb” (looked like what we know as Christianity) but *spoke like a dragon* (Illuminati-Luciferianism), which Nathan refers to the NAR (i.e. New Apostolic Reformation) and their “Dominionism Theology”^[6] being a part of this system. This movement if you take the time to do the research, has definitely been infiltrated by the illuminati, and has also infiltrated *every segment* of present day Christianity in one way or another—as I have written on in this the past. I fully agree with Nathan’s application concerning the NAR and (Rev 13).

As mentioned previously, Timothy Alberino was also shown that the second beast of (Rev 13) referred to Luciferianism’s universal faith promoted by Ecumenicalism’s World Council of Churches. I see both men as being correct in

[5] In the prophetic Scriptures a “beast” represents a system (i.e. religious, political, financial etc.) and the horns on a beast usually represent sources of power associated with that system.

[6] For more information on Dominionism Theology, request a FREE COPY of the Watchman Report on Dominionism

their prophetic applications, because dominionism is a *Luciferianism Ecumenical* false doctrine—that is promoted by the NAR and also by the Catholic Church (again do your research and you will find that the NAR and the Catholic Church are in bed together). This “**lamb like**” beast (apostate religious system) **has two “horns”** (or 2 sources of power)—I see this as representing **the two sources of power associated with apostate Christianity**—one horn representing the Protestant (evangelical and Charismatic power) and the second horn representing the Catholic (Lucifarian ecumenical power) both having *ecumenicalism and dominionism* (i.e. religious unity and world domination) as their agenda. With leaders like Kenneth Copeland and Rick Joyner uniting with the Catholic church, it is clear the Illuminati invasion has been successful.

What about the religion of Islam? Lest we forget, the current Pope is doing his best to create “Christian” unity among Islamic leaders. For instance regarding a recent trip, a Catholic periodical is quoted as saying, “*On the papal plane returning from World Youth Day in Krakow, Poland, Pope Francis denied that Islam itself is violent and insisted that the potential for violence lies within every religion, including Catholicism*”[7].

Whatever the basis for uniting world religions turns out to be, or how all of this plays out —apostate Christianity is definitely leading the way.

What to Look for in a True End Time Fellowship

The Bible makes it clear that it is going to be essential in these end times to “assemble” with other true believers:

(Heb 10:24-25) And let us consider one another in order to stir up love and good (i.e. beneficial) works... not forsaking the assembling of ourselves together, as is the manner of some, but exhorting one another, and so much the more as you see the Day approaching.

[7] <https://cruxnow.com/world-youth-day-krakow/2016/07/31/pope-francis-denies-islam-violent/>

So with all of the apostate corruption in end time Christianity, the big question becomes, where does the true remnant find a genuine fellowship of believers and what does a true Christian Fellowship even look like? In order to function as a true Christian fellowship it must have leaders who:

1. Are laying down their lives for the sheep
2. Are devoted to teaching (all) the Scriptures and not go beyond them
3. Are devoted to the TRUE gospel of Jesus Christ
4. Have an understanding of the Biblical model for TRUE fellowship and see to it that it exists among the sheep
5. They are not influenced by the world's systems and they will have *nothing* to do with it

Assembling with others in this current generation of technology, can now be done by phone, skype or periodic gatherings for specific purposes, like baptisms, special meetings etc. In the early church they met from “house to house” and broke bread—*daily* and this included not only sharing meals together, but also breaking the “bread of life” through sharing the Scriptures and through prayer. I go “house to house” just about daily through the various means just mentioned. In fact, I spend many hours every week “fellowshipping” with other believers of like mind and faith this way. We are constantly sharing the Word of God, having times of prayer and praising the Lord together. Most of those I fellowship with live in many parts of the country. I have had more intimate and genuine fellowship this way, than I ever did in any “organized church” —which I left and came out from among—some ten years ago now.

While I was part of that organizational system I found there to be very little, if any at all — true transparency and intimacy (fellowship) among those in attendance. In fact, before I became a pastor, and attended organized “churches”— few, if any of my fellow “pew warmers, knew little about me and I knew next to nothing about most of them—of whom many I’m sure—were not even genuine Christians. When I became a Pastor, I vowed this was not going to be the case, I not only strove do the above “5” things I mentioned that leaders must do, I was also given the mandate by the Lord to do what (Heb 10:24-25) commands... In order to have true fellowship with those who were involved in our ministry. The text in (Heb 10:24-25) states that true fellowship involves **two vital aspects** of the **Biblical Model** for true Christian fellowship, which requires that we:

- **CONSIDER one another** NT:2657 *katanoeo* (kat-an-o-eh'-o); to fully observe, discover or discern; CWSD: to learn thoroughly about or accurately assume, think or believe.
- **EXHORT one another** NT:3870 *parakaleo* (par-ak-al-eh'-o) CWSD: to call upon to aid, to admonish (i.e. to counsel, warn, correct) with the motive of encouraging or bringing comfort.

I can tell you right now, having been a pastor for twelve years, the above two words are not practiced, nor do they want to be— by your average “pew warmer”—because unless you are a true and obedient follower of the Word of our one True God (Jesus Christ)—having others CONSIDER and EXORT you—is not something you will welcome or even allow. Nor will you be willing to take responsibility to *consider* or *exhort* others who profess to be Christians. The average Christian believes that their private life is just that—PRIVATE. They do not want others to meddle in (consider) their lives or especially to JUDGE (exhort) them. We are to be held accountable to one another as believers for how we live our lives. Our lives are to be an open book, so others can see what we really are all about—and how God deals with the good—the bad—and ugly in our lives. (2 Cor 3:2) “**You are our epistle... known and read by all men...**”

Christians are not to have a “secret” (private) life among the body of Christ. This is why sin is rampant among professing Christians—it is allowed to go unchecked. In this modern era of Christianity, there is very little “**transparency**” and “**accountability**”— which is why the body of Christ is so spotted (defiled) and so badly wrinkled (twisted). Unconverted sinners need to see the real deal in our lives. We are supposed to be a genuine testimony of God’s transforming power.

Unless we are in genuine fellowship with other genuine Christians who are who are filled with and motivated by God’s love—**considering** and **exhorting** one another will not happen as God intends, among nominal “pew warmers.” Very few who profess to be Christians really understand what the Bible is saying when it teaches us about what LOVE really is. This is the only foundation for our relationship and fellowship with God and other true believers. Love within Christianity has been redefined by apostate Christianity. Love is a requiring word and without an accurate *Scriptural* understanding of love and all that it requires of us, we will never mature in our relationship and fellowship with God and His people. God’s love is meant to redeem and to restore what sin has corrupted and twisted. May we truly find and experience genuine fellowship with God and experience His...

Bachmann Endorsement—Opens the Door for NAR alignment with Trump White House

By Karen Connell

IRS church audits seem to have halted entirely since January 2009. That was when Living Word Christian Center in Brooklyn Park, Minnesota, (an NAR ministry) successfully appealed an IRS audit. In question were an endorsement of Republican Michele Bachmann for Congress by Pastor James Hammond and financial deals that may have benefited him personally, a violation of IRS rules. Since a Minnesota church successfully challenged the agency's procedures in a 2009 court battle, still the IRS

has failed to update its regulations since then.

Many (especially those in league with the apostate NAR movement) see the IRS's backing away from auditing churches as a good thing, even an answer to their prayers. What many don't see is that this has allowed the NAR to politically position themselves with Donald Trump's administration; I see this as part of the Illuminati plan to use the NAR (New Apostolic Reformation) an apostate Christian movement—to be given the freedom (from IRS control) to “take dominion” over every area of our lives, which is according to their mandate and that of the NWO.

Remember, as I stated in this report, (Rev 13) pictures a “beast” (representing an apostate religious system) that is given authority by the dragon (the beast representing the Illuminati antichrist system)—to cause people to bow down and follow that system.

The NAR as an arm of the apostate beast religious system has currently invaded the White House and the oval office with their false prophets as advisors to President Trump. As I have watched and listened to these “prayers” and “prophesies” – and it has absolutely sickened me.

However, this means we are closer than ever to seeing many prophesied things become a reality right before our very eyes. Thus, I pray O Lord... Keep us untainted!

(Titus 1:9-14)

...by **sound doctrine both exhort and convince the gainsayers** (literally defined as: those who speak contrary to the Word)... **For there are many unruly and vain talkers and deceivers... Whose mouths must be stopped, who subvert whole houses, teaching things which they ought not, for filthy lucre's sake... even prophets of their own... Wherefore rebuke them sharply, that they may be sound in the faith; Not giving heed to their Jewish (Illuminati) fables, and commandments of men, that turn from the truth.**

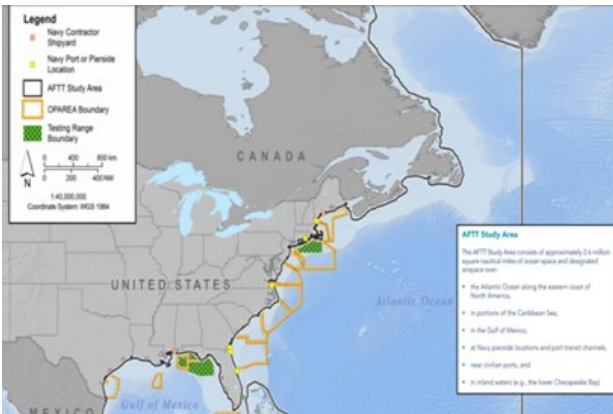

Massive East Coast War Games Coming To America-Will Cover 2.6 Million Square Miles of Land and Sea

- Live Missiles, Torpedoes, Rockets, Lasers Will Be Used: 'The Navy Must Train the Way We Fight'

By Stefan Stanford - All News Pipeline

Over the past several years, ANP has been reporting upon numerous massive military drills being held across America in what some believed was preparation for either a forthcoming economic calamity, massive civil unrest or a war breaking out upon US soil. Highlighted by events such as Jade Helm 15 and Operation Raider Focus. As we read in this story from *Providence Daily Dose*, brand new live-ammo war games are now being planned for up and down the entire East coast for 2018.

As we learn, the planning for "Atlantic Fleet Training And Testing Phase III" has been ongoing for several years, well before President Trump came into office, and we learn here the drills will be taking place over 2.6 million square miles of land and sea along the US East coast and the Gulf of Mexico. Stretching from Canada to Mexico, as we see in the map screenshot from the AFTT's own website, many questions are being asked about what these 'drills' might really be for. As we see and explore below, theories range from a search for North

Korean submarines to searching for hidden nuclear weapons that might have been seeded into the shoreline near America to this being part of an elaborate 'false flag' plan by 'enemies of America within' to take our nation down.

As we previously reported on ANP, which was also reported in this story on Zero Hedge, Russian military expert Viktor Baranetz, a retired colonel and former defense ministry spokesman, had allegedly warned President Trump back in March of 2017: **"We're Seeding The US Shoreline With Nuclear Mole Missiles."** Reportedly capable of igniting a 'nuclear tsunami' that could wipe out US cities within seconds, we'll forgive you for thinking that such a statement sounds like 'fake news'.

As we also hear, these will be 'live drills' and the Navy plans on firing missiles, rockets, lasers, grenades and torpedoes while detonating mines and 'explosive buoys' while using many different kinds of sonar in a series of live war exercises in inland and offshore waters along the East Coast, including various ports of entry. As we hear from Dahboo in that first video, such exercises fit in perfectly with what we've been witnessing and reporting upon across America for the past several years.

ATLANTIC FLEET TRAINING AND TESTING (AFTT) STUDY AREA

We also hear about a period of public hearings and public commenting upcoming at several different locations with public comments also accepted via online submissions. Also telling us about 2+ years of environmental studies that have already been undertaken, as we hear, some sea life will become victims of these live war games though none will be specifically targeted. It has been previously been reported that the US Navy was banned from using sonar that harms various marine mammals, including dolphins and walruses.

In New England, the areas where the weapons and sonar may be deployed, encompass the entire coastline, as well as Navy pier-side locations, port transit channels, civilian ports, bays, harbors, airports and inland waterways. "The Navy must train the way we fight," according to a promotional video for what is called "Atlantic Fleet Training and Testing Phase III." An environmental impact study of the war games was released June 30. Public comment is open until Aug. 29. A public hearing is scheduled for July 19 from 4-8 p.m. at Hotel Providence. Comments can be submitted online and in writing, or through a voice recorder at the hearing. The dates and exact locations of the live weapon and sonar exercises haven't yet been released. In all, 2.6 million square miles of land and sea along the Atlantic Coast and Gulf of Mexico will be part of the aerial and underwater weapons firing.

While the obviously liberal blog "Progressive Charlestown"-- reports "maybe this is Trump's payback to the Northeast for the 2015 'Jade Helm' conspiracy that was supposed to be President Obama's plan to invade and take over Texas and the South-west" however, we find it very interesting that these drills will be being held after reports of Russian or North Korean submarines were rumored to be spotted off of the coast of America.

Though admittedly, these drills have been 'in the works' for several years, dating back to a time when 'Barack Obama and the globalists' were running

America which lend more ammunition to the theory that a false flag is possibly in the works. As we're asked in the first video, can you ever remember a drill this big taking place along the East coast or, for that matter, anywhere along the coasts of America? Telling us that these drills indicate to him that *"big time, things are in motion"*, we also learn that these 'drills' will probably roll out in 2018 though no specific dates have been given. Have 'mole nukes' been seeded into the ocean floor, just waiting to be activated. The Zero Hedge story wrote:

In an "Onion-sounding" article in Russian tabloid Komsomolskaya Pravda, titled "Trump-Pump-Pump And Our Big Bang", Russian military expert Viktor Baranetz, a retired colonel and former defense ministry spokesman asserted that Russia has asymmetrical responses to the increase in the U.S. military budget. The Middle East Media Research Institute reports that, according to Baranetz, Russia is "quietly 'seeding' the U.S. shoreline with nuclear 'mole' missiles" that "dig themselves in and 'sleep' until they are given the command" to detonate.

While this August of 2009 story from Space War reported that according to the Pentagon then, Russian subs near the US East coast posed no threat since they were operating in international waters, deteriorating relationships between the US and Russia on Barack Obama's watch showed our world became much more dangerous during his tenure in office Exemplified by Putin

AFTT Study Area

The AFTT Study Area consists of approximately 2.6 million square nautical miles of ocean space and designated airspace over:

- the Atlantic Ocean along the eastern coast of North America,
- in portions of the Caribbean Sea,
- in the Gulf of Mexico,
- at Navy pierside locations and port transit channels,
- near civilian ports, and
- in inland waters (e.g., the lower Chesapeake Bay).

warning of war to US General Mark Milley claiming 'we are at endgame now', we hope that the tensions of the past will be able to be overcome with President Trump now in office. However, as ABC News reported earlier in 2017, Russian spy ships had again returned to the East Coast of the USA. And whether they be for hidden North Korean subs or the Russians preparing nuclear tsunamis that could see an unstoppable wall of water crashing into the US coastline, triggering the biggest disaster

we've ever seen while knocking out entire cities within seconds, we see more proof in these drills that preparation is taking place at the highest levels for 'an event' along our shorelines. We pray that what we're witnessing are just smart, preventive actions being taken by our public servants in uniform.

A Word from the Lord Regarding: The Lion from God

By Karen Connell

Each year I try to pull away and get alone to spend some quality quiet time with the Lord. On my recent 3 week summer sabbatical, I was led by the Holy Spirit to spend time meditating in (Isa 29), and following is what the Holy Spirit spoke to me on June 30, 2017 ...

*“Woe to (Ariel—means:) **the Lion from God**—(Donald Trump’s MAGA logo is that of a “lion”) thus I heard “woe” is being proclaimed to Trump—and to Donald Trumps’ city—for what is beloved from his camp will be swept away year by year. Victims will be killed. Pressure and distress will be upon TRUMP—there shall be mourning and grieving over great losses that will happen with respect to “Ariel” [Trump].*

Encampments or military stations will be piling up. Because of a show of hostility by military power that will arise and come powerfully against fortified cities—these encampments or military stations will bring these cities down.

This nation will be humiliated, for what has been promised will be depicted as evil and spoken against as rubbish. It will come to pass that the conjured spirit of Nergel that is over this nation, will proclaim “words from God”— but it will be rubbish that is being whispered in the ear of Trump.

What is happening is that the rubbish among us is being taken very lightly—therefore there will be noisy tumultuous crowds of people and army troops of foreigners. This nation and God’s people in this nation are under God’s judgment because they have overstepped the covenant and commands of the Lord their God. These noisy tumultuous crowds of people will be strong, great in power and terribly violent, they will come into existence in an instant and there will be an opening of the eyes. The Lord Sabaoth’s punishing visitation will be accompanied by thunder and earthquake and a great noise accompanied by strong winds that stir up the oceans and there will be consuming fire (tsunami from nukes?)

There have been dreams that are prophetic communication concerning the gloom and despair—and concerning the calamities and the noisy tumultuous crowds of people. All nations (or ethnic groups) who have waged war will “assemble for battle” people to fight against Trump. These are wicked people

who delight in catching other evil ones, forcing them to surrender under duress, and by violent means.

There will also be dreams by false prophets concerning hunger and lack of care in those cities that are under siege, causing people to be deceived into becoming hopeful—expecting to eat meals provided for them. This will rouse up those who are of worthless moral character and these will be evacuated. The thoughts and emotions of those who have a need for water, will—because of false prophecy be deceived into becoming hopeful—expecting to be able to drink water. Those who were aroused by these expectations are in for a surprise when they see... those who were drafted into service, as faint, weary, exhausted, people becoming weaker from hard work and needing nourishment. Their thoughts and emotions will be totally confused because of their thirst.

What will happen will be the sound of tumultuous crowds of people and military troops from all nations (UN), which have been assembled for battle by those who promote Zionism (Illuminati).

Those who delayed and hesitated (to prepare) will be shocked and stunned by what they see. They were blinded by what they enjoyed and by what pleased them. What they enjoyed caused them to become overwhelmed by an intoxicating (demonic) influence... but not because of drinking wine. They waver and are double mined but not because of liquor.

What is going to happen in regard to this revelation concerning all that has been written, is that it will be used as evidence. What has been revealed was sealed up and not revealed until the giving of the counting and adding—that was according to diligent discernment (I was told this was in reference to Nathan Leal's (Jer 29:3) "spirit of Nergal" over USA revelation-this DVD is included in the "End Time Apostate Christianity-Watchman package). The Lord went on to say... by understanding his (Nathan's) revelation it is the basis for being instructed to write this prophetic document. What is being communicated here is to be published NOW. When this, which is being communicated, is not able to be tolerated by those who read it, it is because it is sealed up from those who cannot tolerate it.

This that has been brought forth, is needed as written evidence and is to be documented. Because it will none the less, be skillfully used as evidence that has been documented and appointed as a call that needs to go out NOW! That which has been declared and determined as truth, must be made known as written documented evidence.

What the Lord has determined and declared is for the purpose of being made aware of what is approaching the citizens of this land. The people with their mouth speak glorious things about the Lord God—but their hearts are very distant from Him. This exists Because their fear of the Lord God is according to the false teachings of people who are highly esteemed as teachers, therefore they do not fear the Lord.

Therefore, behold! There will be a continual increase in difficult and astonishing works of judgment among the people. These difficult and astonishing works of judgment will be supernatural in nature and will not be easily understood to be acts of judgment, which are for the purpose of redemption for those who are lost and void of wisdom. However, those who are wise and are discerning have been intelligently informed and instructed and do understand they will need to carefully conceal and hide themselves.

O how deep is the insight and understanding from the Lord. Being prevented from knowing or not seeing the plans and the plots that exist from darkness is because of doubting, questioning and challenging whoever is discerning and whoever is aware and has been instructed and has knowledge. Those doing this are being blinded by the spirit of skepticism.

Because perverseness has been allowed to turn things upside down in this nation, surely there will be a churning heap, a surging wave of water that will create a heap of dead bodies. This disaster will create a resolution or a plan—that has been predetermined by the enemy, but will cause what is appointed to accomplish nothing. What will be accomplished though, is the forming of imaginations in the mind —the intellectual framework for mind control of those with no discernment... a framework for furthering mind control. Yet very few will be turned to righteousness in all of this upheaval.

(This next statement was a personal reference for me as confirmation concerning our survival camp)...An area of fertile ground has been set aside for growing, this area of fertile ground set aside for growing is in a forest of woods and is to be highly regarded with favor. Pay obedient attention and call a gathering together when you hear of times of trouble. Those with the inability to spiritually hear (discern) the prophetic matter of this document, are spiritually unreceptive and will be led by what is carnal when it comes to calamity, evil and death. Ignorance misery and death will appear before these spiritually dull and blind ones.

Those who are discerning ... are to join themselves with the humble and sanctified ones of the Lord, in rejoicing when subject to oppression and abuse or when in need of deliverance from trouble. The people who are the Holy Ones of Israel—the true Saints of God—will be joyful!

I also heard that... Most assuredly there will be an end to a ruler, who is haughty and behaves ruthlessly toward his subjects, this leader will be gotten rid of and destroyed (N. Korea leader?). His scoffing scolding mouth will be cut off. All need to be on the lookout for his evil mischief.

When this occurs, a man will bear the blame (Trump?), recorded reports will convict, reprove and argue against him. A portal is being used to set a trap to pervert and cause an inclination to overthrow and put him away in order to cause confusion and eliminate any form of justice.

Rightly so, after this, the Lord says this, concerning those of His children who have been tripped up by deception ... when they receive deliverance as the true seed of Abraham, truly, there will be immediate shame. These deceived ones will truly and immediately face their shame.

Nevertheless, these will be discerning children who will operate under the power, means and direction of the Lord, and in their midst they will make themselves holy and clean in character and obtain authority. They will proclaim themselves to be saints of God. These who were tripped up by deception will have Great fear and awe of their God.

They shall discover they have been deceived and seduced spiritually... understanding that they rebelled by complaining, whispering and backbiting against skillful teaching and instruction.”

When the Churches Fail

Can God Count on You?

By Troy Koehne

No one is perfect. How dare you judge me! Those two statements are common place in the church today. We live very worldly lives, then manage to drag ourselves into Sunday morning service thinking that God will see that we are trying to do better. When service ends, we head back out into the world for all the fun and games it provides. We did our part, now God has to bless.

In those line of thoughts, the church fails on a major level. We are failing those in need because they don't look as good as we (think) we do. We judge those who might have a loose tongue and don't know any better. We don't befriend them because, we are so much better than they are. We are failing because there are great needs in the church and we do nothing about it. Our attitude is, "Well, it's God's church, let him take care of it. After all, he owns cattle on a thousand hills. Let him sell one and fix the problem."

We want God to do it all while we sit back and get the rewards. That is not how we are to live. Jesus told us in **(John 13:34, 35): A new commandment I give unto you, that ye love one another, as I have loved you, that ye also love one another. By this shall all men know that ye are my disciples, if ye have love one to another.**

Face it, the church today doesn't love one another in deed, but words only. This is where those first two statements come in. We don't want to be judged by what we do, but the fact is, we don't love one another. Okay, answer this. A family comes into your church. They have lost their job, they are one payment away from losing everything. What are you going to do? You are going to do what just about everyone else does. "Oh, I'm so sorry about what happened. We will pray for you."

You walk away never giving them a thought. How about you give them twenty bucks for gas so they can keep looking for work or better yet, offer to take the kids. Give mom and dad a night out.

But we love our money, don't we? A stranger comes in off the streets needing food. His clothes are dirty, maybe he hasn't had a shower in weeks. He needs a little help to get back on his feet. We judge him before he sits down. No one talks to him, and we treat him like he is some kind of dealer on the street... and he may be, but would you die for that man as Jesus did?

Would it really hurt you to shake his hand, listen to his story and slap a ten spot in his hand? What if he was a mega pastor asking for millions to build a new building? Oh, we would give to that, you bet. Because they will send me a prayer rag that they personally prayed over and all my problems will vanish. We have the Benny Hinn / TBN mentality about giving. What am I going to get in return? The stranger can't do anything for you. He doesn't have a prayer rag or

license plate cover to give you. But the look in his eyes of thankfulness and gratitude should be enough, sadly, it's not. So what that God told us in his word that we will lay up treasure in heaven. No, we want our reward now.

Isn't it funny how we will give to the United Way or some other charity not knowing where the money goes or how it's spent but if your preacher stands up on Sunday morning and says we have a need, well, someone else can do that. The church is failing because we cannot take care of our own. Ministries from all over the world are needing and pleading for help but very little comes in. It's always someone else's problem. In the book of Hebrews, we find a great verse that if we put it into practice, it would change the world. **(Hebrews 13:3) (KJV): Remember them that are in bonds, as being bound with them, and them which suffer adversity, as being yourselves also in the body.**

Think of that homeless person. Would you be bound with him? What about a need that a Christian brother has, would you be bound with him? If we would stop looking at what we have as ours, rather, it belongs to God in the first place, and then we could meet the needs of those who need it. We are very selfish Christians. We don't trust God with our money, and we don't love one another. Heaven forbid we become bound with them. We are the church of,

"Look the other way." In the process of looking the other way, we do not receive the blessings of God.

In the book of Acts, the church sold everything they had to help the poor among them. It's time we take that attitude again. These are hard times, we need to be a blessing to those who are in need. Jesus told us in **(John 15:13) Greater love hath no man than this, that a man lay down his life for his friends.** You see the needs around you. Pray and see what God would have you do, then do it. Is five or ten bucks really that much to ask for? God can

take that small gift and change the world? Let's get back to the old paths of loving one another, standing with one another, being bound to one another.

Let's be faithful to what God has given us. Our time here on earth is short so let's do something now to change people's lives. People still need to hear the Gospel, they need to hear the truth. They need you. But the question is...

Can God count on you?

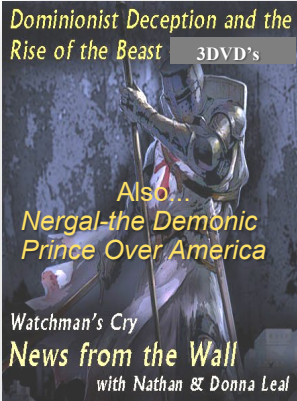

In May 2006, FEMA formed a nationwide program, which is training Pastors and other religious representatives, to become secret police enforcers who teach their congregations to “obey the government”—in preparation for the implementation of martial law, property and firearm seizures, mass vaccination programs and forced relocation (to FEMA Camps). FEMA Pastors are also told that in the event of an outbreak or a bio-terrorist attack, there would be a mass (mandatory) vaccination program. They would have a nationwide program called “**Pills in People’s Palm in 48 hours.**” The Pastors were told that **Walmart** had been designated as the central outlet of this procedure. Many Pastors are completely unaware of the diabolic motivations behind the government’s true purpose and are offered incentives to become volunteers, such as preferential treatment and first access for themselves and their families, to vaccines and food shipments in times of emergency. These Pastors were told:

1. Which roads were to be closed upon martial law, these had already been mapped out.
2. Founding Fathers and Homeschoolers were Terrorists
3. State and Federal Agency Training Manuals will be supplied to Identify Potential Terrorists. A Texas Department of Public Safety Criminal Law Enforcement pamphlet gives the public characteristics to identify terrorists that include: buying baby formula, beer, wearing Levi jeans, carrying identifying documents like a driver’s license and traveling with women or children.
4. Binoculars, video cameras, notebooks are to be classified as Terrorist Tools
5. A Phoenix FBI Manual states that Defenders of US Constitution are Potential Terrorists.
6. FBI Warns the Nation to be on the Lookout for People who read Almanacs
7. More than 50,000 private sector executives have been recruited by FEMA to serve as deputy **FBI informants** under the **Infragard program.**
8. There are more than 75,000 preachers serving FEMA in the Clergy Response Teams.
9. Internal FEMA documents reveal that the majority of America’s pastors now serve as agents of the shadow government. They are even instructed on how and what to preach.
10. Cable TV workers, Firefighters, Truck Drivers, Maid Services, and hundreds of other professions are now on the government’s payroll as **Infragard informants.**

People who are dissidents or whistleblowers (i.e. those exposing covert government activity to the public) are purposely mislabeled as “terrorists” and put on an “Enemies List,” which is then turned over to Defense Contractors to target under perverted interpretations of NDAA and PAA. This allows them to engage the Military and Law Enforcement in both the active harassment and torture of individuals illegally targeted for fraudulent cause, or it gives the Defense Contractors carte blanche to commit criminal assault upon innocent citizens while demanding (unconstitutionally) that Police stand down and do nothing to help their victims.

Police are even used as liaisons to **citizen vigilante groups like Infragard**, or other “civic minded” organizations who are lied to about the target (being a terrorist/traitor/criminal) and enticed/paid to stalk and harass them 24/7. Today, more than 23,000 representatives of private industry are working quietly with the FBI and the Department of Homeland Security. They are members of this rapidly growing group, called **In-fraGard**. One InfraGard card carrying business executive was quoted as saying, “we have permission to “shoot to kill” in the event of martial law.” (Read the *End Time Apostate Christianity Watchman Report* for more information on this subject).

DOMINIONIST DECEPTION...

There is a takeover of the Church right now. A great deception has slithered in and it plays a role in end time prophecy. It is called **“Dominionism”** and it is going to lead America into World War Three. In this audio report, Nathan And Donna Leal discuss this end time intruder that has invaded the Church. The Bible tells us that the deception will “look like a lamb, but speak like a dragon.” Nathan also reveals a demonic prince “Nergal” that is identified in the Bible as being over the USA and is associated with some very interesting current events. These programs contain vital truth, and should be heard by all vigilant Christians. **Please share it with your friends and family.**

DOMINIONISM & THE NEW APOSTOLIC REFORMATION (NAR) MOVEMENT

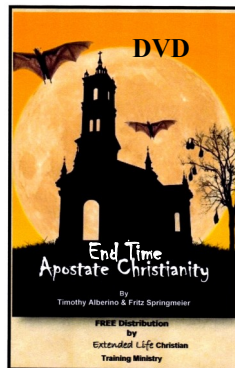

Watchman Report

It will surprise some to know that the NAR has invaded the largest non-Catholic segment of world Christianity and is also the fastest growing segment. The NAR as with other cults within Christianity, do confess many of the tenets of the apostle’s creed—on paper, but they just don’t implement them in practice. Not all cults are physically harmful, **but they are harmful spiritually.** While cults more often operate using control, they also operate in falsehood and will have secrets that are not public. They claim to have a "new or better way" as applied to various aspects of Christianity, more often about salvation. This aspect is seen in the NAR. Don’t be deceived by their false latter rain theology.
