THE DOWNWARD SPIRAL INTO DARKNESS

WHAT causes a person who starts out as a sincere Christian to end up BACKSLIDING into darkness? Read and watch this Biblical perspective from (Eph 4) regarding "9 Steps into Darkness" leading to "alienation from God." Satan is using demonic energy that is not only spiritual but also technological. This Lucifarian agenda is to bring Satan's end-time delusions and destruction that will destroy millions of people around the globe. The majority of God's people are not armed and ready to survive what lies ahead on our horizon! The evil days Jesus mentioned are upon us, and the very sad news is, it is going to get worse—much, much worse! Learn how to be protected and prepared.

OPERATION SOUL CATCHER

By Karen Connell

*Unless otherwise specified all Scripture is from the KJV or NKJV and all numbers and literal word definitions are from the Strong's Concordance and Complete Word Studies Dictionary (CWSD).

(Lk 21:34-36)

"Watch out! Don't let your hearts be dulled ... Don't let that day (end time devastation) catch you unaware, like a trap. For that day will come upon everyone living on the earth... Keep alert at all times. And pray that you might be strong enough to escape these coming horrors..."

T There is something going on in the world that very few are aware of. God has been leading me for several months to more information involving the **wiles** and **tactics** being used by Satan and his followers to cause the great endtime delusion the Bible has warned us about...

(2 Thess 2:10-12)...because they received not the love of the truth, that they might be saved... And for this cause God shall send them strong delusion, that they should believe a lie... That they all might be damned who believed not the truth...

Due to the importance of what I am going to share, I pray the message will not fall upon deaf ears but will awaken those who do have ears to hear what the Holy Spirit is saying.

The Lord has opened up to me a very insidious and evil tactic being used by Satan's followers, known as **psychotronic warfare** used against "**Targeted Individuals.**" Every person in the world has become what many are calling a "TI" (targeted individual).

Of course any genuine, sold out, uncompromising follower of Jesus Christ, knows they have always been a "target" of the devil and demons. But now, all people upon the earth and especially we who believe in and truly follow Jesus Christ are a real problem to the New World Order and the Universal Harlot Apostate Church.

These Luciferian entities are determined (and have been especially since 9/11) to throw all of humanity into a blender with the intent of "processing us" and our beliefs into mixing and intermeshing with all others, including atheists, homosexuals, Muslims, and the evolutionists.

This is being carried out through secret, mind control, organized social engineering and electronic harassment, in an attempt to brainwash, manipulate and *re-educate* the people of world through fear and *intimidation*. The powers that rule this world are determined the people of the world will become "united" – one way or the other! I'm sure it hasn't escaped your noticed how in the past several years (subtly at first)—and now more and more aggressively—it has become, *religiously, socially and politically incorrect* to speak against the NWO order's social, political or religious policies. Because of this censoring on social media is happening regularly and very little public outcry is being heard. Why? The answer to that is Intimidation, because they are being "targeted."

This social engineering TATIC of brainwashing the citizens of every country into accepting as *unacceptable* a world view that is contrary to the NWO AGENDA ...has been Satan's ultimate **psy-op**¹. This *tactic* is

being adopted and practiced by leaders in the political, social and religious arenas of the world's societies, in order to brain wash and steal the souls of men... myself and many others are calling this psy-ops "**Operation Soul Catcher.**" I have found through my research that the populace worldwide are being put into "secret programs" by their governments or by influential persons within their societies' (the big money holders) *without their consent or knowledge*. These programs involve a multi-layered and multifaceted psychological and physical assault against the TI (targeted individual) and his/her environment. It is commonly referred to as **covert organized harassment** (now being called gang stalking) and is essentially a secret civilian mob under the direction and

coercion (of mind control) by a network of powerful secret government agencies (in the USA we have the CIA/FBI/NSA, in the United Kingdom they have their MI6/MI5/ also GCHQ and Russia has their FSB and SVR also in Israel there is of

course the infamous MOSSAD (with its 8 departments). Those who resist the NWO's "re-education" agenda for the purpose of the unification of humanity—are now labeled AND being targeted as "**terrorists**" who oppose and hinder the NWO agenda of world betterment through unification.

MIND CONTROL

Mind control tactics are aimed at influencing and changing a target's value system, belief system, emotions, motives, reasoning, and behavior. It is used to induce or reinforce attitudes and behaviors favorable to the handler's objectives, and are sometimes combined with black operations or false flag tactics. It is also used to destroy the morale of targets through tactics that aim to depress a targets psychological state.

Some of you may be saying at this point, I already know about these things. Well, what you may not know is that now mind control technology has been developed and is now being used that has the capability of speaking into our minds, but also reading our minds.
