

## "God's Prophetic Voices are in a Ferocious Battle" (with Python)

**AUGUST 8, 2020** Many prophetic voices have been in a private battle, especially recently. They have been "fighting for their lives" and for their "mantle" behind closed doors. These private battles have left many feeling weary, frustrated, beaten down and broken.

### **Divine Reset and Extended Vision in Your Life**

The Lord showed me that there **is a spirit of python that has been coming against many true prophetic voices** to suck the life out of you, to suffocate you, to break you, to silence you and to completely take you out and hinder you from moving into what the Lord has destined for you just up ahead.

There have been intense battles and opposition of the enemy against you to take you out, but the hand of the Lord is molding you and shaping you, preparing you for what you are about to release. You see, the Lord has been depositing things within you in the most broken place. You do not even realize that He has been doing this. I saw in the place of brokenness and the place of being battle-weary, the Lord is decreeing a divine RESET.

All that the enemy has caused – all the trauma, all the fear, all the terror, all the weariness – is about to fall off of you. All of the ailments are about to fall to the ground. All of the issues with your sight are about to be healed (i.e. especially spiritual sight).

Any of the places where the vision that the Lord gave you has been stolen, tampered with and confused ...is going to be reset. The Lord is going to reset **YOU INTO THE VISION**. You are about to be concreted into His vision like never before. You have been knocked down and broken as you stepped into what He spoke to you, but now the Lord is reviving, restoring and resetting you into it, only this time you are going to notice something very different.

In the darkness, in the battle, and in the wilderness place He has EXTENDED the vision. I heard the Lord say: "NOW I am about to release the vision. NOW I am about to release the EXTENDED VISION – the vision with INCREASE!" Broken and Stolen Places Completely Restored I then had a vision and I saw Jesus walking over to each prophetic voice (that has been under this attack) and He was ministering to them. They wept as He ministered to them because their weariness was deep from being in the fire.

He placed His hand under their chins and He spoke, "You have been found FAITHFUL!" As His word fell from His mouth, it came upon them like honey and oil together. As I watched the honey and the oil from His word pour over them, from the tops of their heads to the bottoms of their feet, I saw that NOTHING was left untouched. I heard the word "RESTORED!" thundering around me.

I heard the resounding promise of Jeremiah 30:17 for these prophetic voices: **"For I will restore health to you, and your wounds I will heal, declares the LORD, because they have called you an outcast: 'It is Zion, for whom no one cares!'"** Healing had happened. An increase of anointing had taken place. All of the broken and stolen places were completely restored.

This is Your Greatest New Beginning God then spoke again: "Many of you have been in these fierce, private battles fighting for your lives, crying out to Me, saying 'Lord, this is the end.' But I am decreeing this is your greatest new beginning! Where you thought you had come to the end and could not go on, I have brought you to the place of promotion.

For in these fierce battles, I have done things within you and placed things within you that you have not yet seen. "You have remained faithful in the midst of the fire and I have broken down what needed to be broken down, even while the enemy was attempting to suffocate you, and now you are moving into the greatest promotion of your (assignment) and the release of your voice upon the earth."

### **An Anointing like That of John the Baptist**

The Lord showed me that this spirit of python has attempted to steal and suffocate these prophetic voices. Those of you who have been in intense, private battles, you know that your voice has been stolen and hindered because you have been crying out to the Lord about this very thing. I then heard the Lord say, "The enemy attempted to silence you but you are now

moving into an increase of anointing like that of John the Baptist, to prepare the Body of Christ for the revealing of My glory and majesty!"

John the Baptist and Elijah prophets have been hit HARD lately, but that's because the Lord is about to release upon them the most significant, weighty, and anointed words that they have ever received to prepare the Body of Christ for the revealing of His majesty and glory... those of you who have been in these private battles: have hope, for your deliverance is nigh and the Lord is increasing the oil of His presence and anointing upon you.

Fear and intimidation in the battle has attempted to stop you from moving forward or speaking, but I hear Zechariah 2:5 for you: **"For I,' declares the LORD, 'will be a wall of fire around you, and I will be the glory in your midst."** The fear and intimidation has been intense, but the hand of the Lord is over you. There is an increase of angelic hosts surrounding you, and what the enemy has been whispering are lies and WILL NOT touch you or your family.

You have been broken down by the battle but the Lord's hand in the brokenness has been forging and forming you. You are the clay and He is the Potter (Isaiah 64:8) and in the midst of the battle you have continued to cry out, "YOUR WILL BE DONE!" Pride, self-promotion, self-agendas, impurity of heart, judgments and bitterness have been broken off of you.

The brokenness has been hard, but what the Lord is doing in the midst of it all is beautiful. The private battle may have felt like it almost killed you, but the demonstration of His restoration will be seen publicly by all around you.

### **Stewardship of the Heart Take courage!**

For in the areas where there have been such an intense, private battle over your voice, breakthrough is upon you and this breakthrough will cause you to forerun and carry the NEW SOUND He is releasing. Unlike any other season before, I feel the weightiness of **the fear of God over stewardship of the heart**. The people who the Lord is raising up, are carrying the new sound, of those who are walking in purity of heart. They will come out of the woodwork carrying this new (sanctifying) sound of the Lord. They have been forged in the fire and forged in the battle, and they walk with one agenda: which is, to minister to Jesus and see His Kingdom established (within people) and His glory revealed upon the earth. **"Then the glory of the LORD will be**

**revealed, and all flesh will see it together; for the mouth of the LORD has spoken." (Isaiah 40:5)**

These prophetic voices will carry the new sound, releasing it into the earth... bringing many to true repentance. It has already begun but it is about to get LOUDER. This is why the enemy has tried to "kill" these "John the Baptist" and "Elijah" VOICES. They will not be positioned by the hand of man but by the hand of the Lord, and the favor of the Lord will follow them.

Where stones of jealousy, injustice, backstabbing and curses have been thrown at them by others in the Body of Christ, the Lord has developed within them a "thick skin" and a "soft heart." **They truly pray for those who curse them and bless those who hurt them (Luke 6:28)**. Where the words of other people have tried to tear them down, the pure Word of the Lord that they will carry, shall see the hand of the Lord position them in greater favor than before.

### **You Are Not Going to Die...**

YOUR PROPHETIC VOICE will be EMPOWERED by the Spirit of God in ways we have never seen, with miraculous and mighty EXPLOITS of His power accompanying the Word of the Lord and a new sound (bringing the message OF SANCTIFICATION) that is coming upon the earth. When these prophetic voices speak and decree this message, there will be a violent shaking in the spirit and many will see almost instantaneous manifestations in the natural.

The enemy has tried so hard to knock these prophetic voices out of the "divine alignment" of God in all that He has called them to walk in, but now they are being restored, and raised up stronger than ever, carrying the new sound and an earth-shaking, ground-breaking anointing for alignment. When they speak, the Spirit of God will move in power and mighty demonstrations, and the divine alignment of (spirit, soul and body) from God, will manifest in the natural. You who are the true prophetic voices of God, in the fiercest, private battles of your lives, you are not going to die. This is not the end. Jesus is with you. He is ministering to you and you have met your point of greatest promotion. You are being reset into your assignments and anointings with increase, **to release the sound of His heart upon the earth** and to prepare the way for a great move of God. The breaker is upon you, don't stop putting your hands to what God has called you to do... and that is SPEAK HIS WORD!
